ANNUAL MEETING OF STOCKHOLDERS
OF
PEACOCK FINANCIAL CORPORATION

2531 San Jacinto Avenue
San Jacinto, California

March 11, 2002
10:00 A.M. Pacific Standard Time

The accompanying proxy is solicited by the Board of Directors of Peacock Financial Corporation (the "Company") for use at its Annual Meeting of Stockholders to be held on March 11, 2002, at the 29345 Rancho California Road, Temecula, California at 10:00 a.m., Pacific Standard Time, or at any adjournment or postponement of the meeting, for the purposes described below and in the accompanying Notice of Annual Meeting of Stockholders.

INFORMATION CONCERNING SOLICITATION AND VOTING

General

The principal executive offices of the Company are at 2531 San Jacinto Avenue, San Jacinto, California 92583. The Company's telephone number at that location is (909) 652-3885.

The date of this Proxy Statement is February 10, 2002, the approximate date on which these proxy solicitation materials were first sent or given to stockholders entitled to vote at the meeting.

This solicitation of proxies is made on behalf of the management of the Company and the associated cost will be borne by the Company. In addition to solicitation by mail, management may use the services of its directors, officers, and others to solicit proxies, personally or by telephone, telegram, facsimile, or electronic mail. No additional compensation will be paid to directors, officers, or other regular employees for such services. Arrangements may also be made with brokerage houses and other custodians, nominees, and fiduciaries to forward solicitation material to the beneficial owners of the stock held of record by such persons, and the Company may reimburse them for reasonable out-of-pocket and clerical expenses they incur.

Record Date and Voting

The Company had outstanding on January 15, 2002 (the "Record Date") 243,350,653 shares of Common Stock, \$0.001 par value, all of which are entitled to vote on all matters to be acted upon at the meeting. The Company's Bylaws provide that a majority of the shares entitled to vote, represented in person or by proxy, shall constitute a quorum for transaction of business. Each stockholder is entitled to one vote for each share held on the Record Date. If no instructions are given on the executed voting card, the Proxy will be voted for all nominees and in favor of all proposals described.

For Shares Registered Directly in the Name of the Stockholder

Stockholders with shares registered directly in their name in the Company's stock records maintained by our transfer agent, Colonial Stock Transfer Company, may vote their shares by mailing their signed proxy voting card. Specific instructions to be followed by registered stockholders are set forth on the enclosed proxy voting card.

1

For Shares Registered in the Name of a Brokerage Firm or Bank

A number of brokerage firms and banks are participating in a program provided through ADP Investor Communication Services that offers telephone and Internet voting options. If your shares are held in an account at a brokerage firm or bank participating in the ADP Program, you may vote those shares by calling the telephone number which appears on your voting form or through the Internet in accordance with instructions set forth on the voting form.

Tabulation of Votes and Proxies

For the election of directors, a plurality of the votes present and entitled to vote is required for approval if a quorum is present and voting. The affirmative vote of a plurality of the votes present and entitled to vote is required for the approval of Proposals 2, 3, and 5, respectively. The affirmative vote of a majority of the votes present and entitled to vote is required for the approval of Proposal 4. An automated system administered by the Company's transfer agent tabulates the votes. Abstentions and broker non-votes are each included in the determination of the number of shares represented at the meeting for purposes of determining the presence of a quorum. Each is tabulated separately. For purposes of Proposals 2, 3, 4 and 5, abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum, but will not be counted as favorable votes and will therefore have the same effect as votes against those Proposals. Properly

executed unrevoked proxies will be voted for Proposals 2, 3, 4 and 5, unless a vote against such proposal or abstention is indicated. Cumulative voting of the Company's Common Stock is prohibited pursuant to the Company's Articles of Incorporation.

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by filing with the Secretary of the Company a written notice revoking it, by presenting at the meeting a duly executed proxy bearing a later date, or by attending the meeting and voting in person. Attendance at the meeting will not, however, by itself, revoke a proxy.

To revoke a proxy previously submitted electronically through the Internet or by telephone, you may simply vote again at a later date, using the same procedures, in which case your later submitted vote will be recorded and your earlier vote revoked.
