Section 1 – Registrant’s Business and Operations
Item 1.01 Entry into a Material Definitive Agreement.

On October 5, 2020, Red Cat Holdings, Inc., a Nevada corporation (the “Company”), closed a private offering (the “Offering”) pursuant to a securities purchase agreement (the “Purchase Agreement”) in which it offered and sold convertible promissory notes (the “Notes”) in the aggregate principal amount of \$600,000 and issued five-year warrants (the “Warrants”) to purchase an aggregate of 399,996 shares of common stock, par value \$0.001 per share, of the Company.

Notes

The Notes accrue interest at the rate of 12% per annum and are payable two years from the date of issuance. The Notes are convertible into shares of the Company’s common stock at a conversion price per share of \$1.00 or, upon the consummation by the Company of a Qualified Offering, as such term is defined in the Note, at a price equal to 75% of the price of the securities sold in such Qualified Offering. The holder of the Note also has the right to convert the Note into shares of common stock at any time at a conversion price of \$1.00 per share. The Note also provides antidilution protection for the conversion price.

Upon an event of default, as such events are specified in the Note, the conversion price will equal the lower of (i) the thirty day volume weighted average of the closing price of the Company’s common stock if the conversion occurs prior to a Qualified Offering, or (ii) 65% multiplied by the lowest closing price of the common stock during the twenty consecutive trading day period immediately prior to the conversion.

The Company may prepay all or any portion of the Note, without penalty or premium, upon at least ten business days’ prior notice to the noteholder.

Upon issuance by the Company of a security, or amendment to a security, that the noteholder reasonably believes is more favorable, such term, at noteholder’s option, will become a part of the Note, except for certain Exempt Issuances (as defined in the Note).

No conversions under the Note will be effected that will result in the noteholder, together with any affiliate, beneficially owning in excess of 9.99% of the Company’s outstanding common stock immediately after giving effect to such conversion.

Warrants

The Warrants are exercisable at a price equal to the lower of (i) \$1.50 per share or (ii) if a Qualified Offering occurs, at a 25% discount to the price per share of the common stock offered in such Qualified Offering.

The number of shares of common stock for which the Warrant is exercisable is subject to adjustment in the event of a stock split or dividend, and similar event or certain corporate events such reorganizations and mergers.

In the event of a reorganization or reclassification of capital stock, the consolidation or merger, or the sale or other disposition of all or substantially all the property, assets, business, and goodwill of the Company, the warrant holder will be entitled to purchase the kind and amount of shares of capital stock which the Warrant entitled the warrant holder to purchase immediately prior to such event.

The Warrants also include piggyback registration rights.

The foregoing descriptions of the Purchase Agreement, the Notes and the Warrants are qualified in their entirety by reference to the full text of such documents, copies of which are attached as Exhibits 10.14, 10.15 and 10.16, respectively, and are incorporated herein by reference.

The Buyer and its advisors, if any, have been, and for so long as the Note remain outstanding will continue to be, afforded the opportunity to ask questions of the Company. Notwithstanding the foregoing, the Company has not disclosed to the Buyer any material nonpublic information and will not disclose such information unless such information is

disclosed to the public prior to or promptly following such disclosure to the Buyer. Neither such inquiries nor any other due diligence investigation conducted by Buyer or any of its advisors or representatives shall modify, amend or affect Buyer's right to rely on the Company's representations and warranties contained in Section 3 below. The Buyer understands that its investment in the Securities involves a significant degree of risk. The Buyer is not aware of any facts that may constitute a breach of any of the Company's representations and warranties made herein.

e. Governmental Review. The Buyer understands that no United States federal or state agency or any other government or governmental agency has passed upon or made any recommendation or endorsement of the Securities.

f. Transfer or Re-sale. The Buyer understands that (i) the sale or re-sale of the Securities has not been and is not being registered under the Securities Act or any applicable state securities laws, and the Securities may not be transferred unless (a) the Securities are sold pursuant to an effective registration statement under the Securities Act, (b) the Buyer shall have delivered to the Company, at the cost of the Buyer, an opinion of counsel that shall be in form, substance and scope customary for opinions of counsel in comparable transactions to the effect that the Securities to be sold or transferred may be sold or transferred pursuant to an exemption from such registration, which opinion shall be accepted by the Company, (c) the Securities are sold or transferred to an "affiliate" (as defined in Rule 144 promulgated under the Securities Act (or a successor rule) ("Rule 144")) of the Buyer who agrees to sell or otherwise transfer the Securities only in accordance with this Section 2(f) and who is an Accredited Investor, (d) the Securities are sold pursuant to Rule 144, or the Securities are sold pursuant to Regulation S under the Securities Act (or a successor rule) ("Regulation S"), and the Buyer shall have delivered to the Company, at the cost of the Buyer, an opinion of counsel that shall be in form, substance and scope customary for opinions of counsel in corporate transactions, which opinion shall be accepted by the Company; (ii) any sale of such Securities made in reliance on Rule 144 may be made only in accordance with the terms of said Rule and further, if said Rule is not applicable, any re-sale of such Securities under circumstances in which the seller (or the person through whom the sale is made) may be deemed to be an underwriter (as that term is defined in the Securities Act) may require compliance with some other exemption under the Securities Act or the rules and regulations of the SEC thereunder; and (iii) neither the Company nor any other person is under any obligation to register such Securities under the Securities Act or any state securities laws or to comply with the terms and conditions of any exemption thereunder (in each case). Notwithstanding the foregoing or anything else contained herein to the contrary, the Securities may be pledged as collateral in connection with a bona fide margin account or other lending arrangement.

g. Legends. The Buyer understands that the Note and Warrant, and, until such time as the Conversion Shares have been registered under the Securities Act or may be sold pursuant to Rule 144 without any restriction as to the number of securities as of a particular date that can then be immediately sold, the Conversion Shares may bear a restrictive legend in substantially the following form (and a stop-transfer order may be placed against transfer of the certificates for such Securities):

"NEITHER THE ISSUANCE AND SALE OF THE SECURITIES REPRESENTED BY THIS CERTIFICATE NOR THE SECURITIES INTO WHICH THESE SECURITIES ARE EXERCISABLE HAVE BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR APPLICABLE STATE SECURITIES LAWS. THE SECURITIES MAY NOT BE OFFERED FOR SALE, SOLD, TRANSFERRED OR ASSIGNED (I) IN THE ABSENCE OF (A) AN EFFECTIVE REGISTRATION STATEMENT FOR THE SECURITIES UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR (B) AN OPINION OF COUNSEL (WHICH COUNSEL SHALL BE SELECTED BY THE HOLDER), IN A GENERALLY ACCEPTABLE FORM, THAT REGISTRATION IS NOT REQUIRED UNDER SAID ACT OR (II) UNLESS SOLD PURSUANT TO RULE 144 OR RULE 144A UNDER SAID ACT. NOTWITHSTANDING THE FOREGOING, THE SECURITIES MAY BE PLEDGED IN CONNECTION WITH A BONA FIDE MARGIN ACCOUNT OR OTHER LOAN OR FINANCING ARRANGEMENT SECURED BY THE SECURITIES."

The legend set forth above shall be removed and the Company shall issue a certificate without such legend to the holder of any shares upon which it is stamped, if, unless otherwise required by applicable state securities laws, (a) such Security is registered for sale under an effective registration statement filed under the Securities Act without any restriction as to the number of securities as of a particular date that can then be immediately sold, or (b) such holder provides the Company with an opinion of counsel, in form, substance and scope customary for opinions of counsel in comparable transactions, to the effect that a public sale or transfer of such Security may be made without registration under the Securities Act, which opinion shall be accepted by the Company so that the sale or transfer is effected. The Buyer agrees to sell all Securities, including those represented by a certificate(s) from which the legend has been removed, in compliance with applicable prospectus delivery requirements, if any.

h. Residency. The Buyer is a resident of the jurisdiction set forth immediately below the Buyer's name on the signature pages hereto.

i. No Solicitation. The Buyer is unaware of, is in no way relying on, and did not become aware of the offering of the Securities through or as a result of, any form of general solicitation or general advertising including, without limitation, any article, notice, advertisement or other communication published in any newspaper, magazine or similar media or broadcast over television or radio, in connection with the offering and sale of the Securities and is not subscribing for the Securities and did not become aware of the offering of the Securities through or as a result of any seminar or meeting to which the Buyer was invited by, or any solicitation of a subscription by, a person not previously known to the Buyer in connection with investments in securities generally.

k. Buyer's Advisors. The Buyer and its Advisors, as the case may be, have such knowledge and experience in financial, tax, and business matters, and, in particular, investments in securities, so as to enable it to utilize the information made available to it in

l. Buyer Liquidity. The Buyer has adequate means of providing for Buyer's current financial needs and foreseeable contingencies and has no need for liquidity of its investment in the Securities for an indefinite period of time, and after purchasing the Securities the Buyer will be able to provide for any foreseeable current needs and possible personal contingencies. The Buyer must bear and acknowledges the substantial economic risks of the investment in the Securities including the risk of illiquidity and the risk of a complete loss of this investment.

m. No Other Representations or Information. In evaluating the suitability of an investment in the Securities, the Buyer has not relied upon any representation or information (oral or written) with respect to the Company or its subsidiaries, or otherwise, other than as stated in this Agreement. No oral or written representations have been made, or oral or written information furnished, to the Buyer or its Advisors, if any, in connection with the offering of the Notes.

n. Authorization; Enforcement. The Buyer has the requisite power and authority to enter into and perform this Agreement and to purchase the Securities. The execution, delivery and performance of this Agreement and the Securities by the Buyer and the consummation by it of the transactions contemplated hereby and thereby have been duly authorized by all necessary corporate or partnership action, and no further consent or authorization of the Buyer or its Board of Directors, stockholders, partners, members, as the case may be, is required. This Agreement has been duly authorized, executed and delivered by the Buyer and upon execution of this Agreement by the Company, constitute, or shall constitute when executed and delivered, a valid and binding obligation of the Buyer enforceable against the Buyer in accordance with the terms hereof and thereof, except as such enforceability may be limited by general principles of equity or applicable bankruptcy, insolvency, reorganization, moratorium, liquidation and other similar laws relating to, or affecting generally, the enforcement of applicable creditors' rights and remedies.

o. No Conflicts. The execution, delivery and performance of this Agreement and the consummation by the Buyer of the transactions contemplated hereby and thereby or relating hereto do not and will not (i) if the Buyer is not an individual, result in a violation of the Buyer's charter documents or bylaws or other organizational documents or (ii) conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of any agreement, indenture or instrument or obligation to which the Buyer is a party or by which its properties or assets are bound, or result in a violation of any law, rule, or regulation, or any order, judgment or decree of any court or governmental agency applicable to the Buyer or its properties (except for such conflicts, defaults and violations as would not, individually or in the aggregate, have a material adverse effect on the Buyer). The Buyer is not required to obtain any consent, authorization or order of, or make any filing or registration with, any court or governmental agency in order for it to execute, deliver or perform any of its obligations under this Agreement or to purchase the Securities in accordance with the terms hereof.

p. SEC Filings. The Buyer has reviewed, or had an opportunity to review, all of the SEC Filings and "Forward Looking Statements" disclaimers contained therein. In addition, the Buyer has reviewed and acknowledges it has such knowledge, sophistication, and experience in securities matters, and understands the risks related to the Company, including without limitation to, the "Risk Factors" in the 10K form filed on April 30, 2020, which the Company has made available through the EDGAR system.

q. Restricted Securities. Buyer understands that the Securities have not been registered under the 1933 Act and such Buyer will not sell, offer to sell, assign, pledge, hypothecate or otherwise transfer any of the Securities unless pursuant to an effective registration statement under the 1933 Act, or unless an exemption from registration is available. Notwithstanding anything to the contrary contained in this Agreement, such Buyer may transfer (with an opinion of counsel satisfactory to the Company and its counsel) the Securities to its Affiliates (as defined below), provided that each such Affiliate is an "accredited investor" under Regulation D and such Affiliate agrees to be bound by the terms and conditions of this Agreement. For the purposes of this Agreement, an "Affiliate" of any person or entity means any other person or entity directly or indirectly controlling, controlled by or under direct or indirect common control with such person or entity. Affiliate includes each subsidiary of the Company. For purposes of this definition, "control" means the power to direct the management and policies of such person or firm, directly or indirectly, whether through the ownership of voting securities, by contract or otherwise.

3. Representations and Warranties of the Company. The Company represents and warrants to the Buyer that, except as otherwise disclosed in the Company's public filings and reports with the SEC:

a. Organization and Qualification. The Company and each of its subsidiaries, if any, is a corporation duly organized, validly existing and in good standing under the laws of the jurisdiction in which it is incorporated, with full power and authority (corporate and other) to own, lease, use and operate its properties and to carry on its business, such that the failure to so qualify would not have a material adverse effect on the assets or business of the Company, its subsidiaries, or the ability of the Company to perform its obligations hereunder.

b. Authorization; Enforcement. (i) The Company has all requisite corporate power and authority to enter into and perform this Agreement, and to consummate the transactions contemplated hereby and to issue the Securities, in accordance with the terms hereof and thereof, (ii) the execution and delivery of this Agreement, by the Company and the consummation by it of the transactions contemplated hereby (including without limitation, the issuance of the Note and the Warrant and the issuance and reservation for issuance of the Conversion Shares issuable upon conversion or exercise thereof) have been duly authorized by the Company's Board of Directors and no further consent or authorization of the Company, its Board of Directors, or its shareholders is required, (iii) this Agreement has been duly executed and delivered by the Company by its authorized representative, and such authorized representative is the true and official representative with authority to sign this Agreement and the other documents executed in connection herewith and bind the Company accordingly, and (iv) this Agreement constitutes, and upon execution and delivery by the Buyer, will constitute, a legal, valid and binding

obligation of the Company enforceable against the Company in accordance with its terms except as such enforceability may be limited by general principles of equity or applicable bankruptcy, insolvency, reorganization, moratorium, liquidation and other similar laws relating to, or affecting generally, the enforcement of applicable creditors' rights and remedies.

c. Issuance of Shares. The Conversion Shares are duly authorized and reserved for issuance and, upon conversion of the Note and the Warrant in accordance with its respective terms, will be validly issued, fully paid and non-assessable, and free from all taxes, liens, claims and encumbrances with respect to the issue thereof and shall not be subject to preemptive rights or other similar rights of shareholders of the Company and will not impose personal liability upon the holder thereof.

d. Acknowledgment of Dilution. The Company understands and acknowledges the potentially dilutive effect to the Common Stock upon the issuance of the Conversion Shares upon conversion of the Note and exercise of the Warrant. The Company further acknowledges that its obligation to issue Conversion Shares upon conversion of the Note and exercise of the Warrant in accordance with the respective terms thereof, is absolute and unconditional regardless of the dilutive effect that such issuance may have on the ownership interests of other shareholders of the Company.

e. No Conflicts. The execution, delivery and performance of this Agreement, the Note and the Warrant by the Company and the consummation by the Company of the transactions contemplated hereby and thereby (including, without limitation, the issuance and reservation for issuance of the Conversion Shares) will not (i) conflict with or result in a violation of any provision of the Certificate of Incorporation or By-laws, or (ii) violate or conflict with, or result in a breach of any provision of, or constitute a default (or an event which with notice or lapse of time or both could become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture, patent, patent license or instrument to which the Company or any of its subsidiaries is a party, or (iii) result in a violation of any law, rule, regulation, order, judgment or decree (including federal and state securities laws and regulations and regulations of any self-regulatory organizations to which the Company or its securities are subject) applicable to the Company or any of its subsidiaries or by which any property or asset of the Company or any of its subsidiaries is bound or affected (except for such conflicts, defaults, terminations, amendments, accelerations, cancellations and violations as would not, individually or in the aggregate, have a material adverse effect). All consents, authorizations, orders, filings and registrations which the Company is required to obtain pursuant to the preceding sentence have been obtained or effected on or prior to the date hereof.

f. Absence of Litigation. There is no action, suit, claim, proceeding, inquiry or investigation before or by any court, public board, government agency, self-regulatory organization or body pending or, to the knowledge of the Company or any of its subsidiaries, threatened against or affecting the Company or any of its subsidiaries, or their officers or directors in their capacity as such, that could have a material adverse effect.

g. Acknowledgment Regarding Buyer' Purchase of Securities. The Company acknowledges and agrees that the Buyer is acting solely in the capacity of arm's length purchasers with respect to this Agreement and the transactions contemplated hereby. The Company further acknowledges that the Buyer is not acting as a financial advisor or fiduciary of the Company (or in any similar capacity) with respect to this Agreement and the transactions contemplated hereby and any statement made by the Buyer or any of its respective representatives or agents in connection with this Agreement and the transactions contemplated hereby is not advice or a recommendation and is merely incidental to the Buyer' purchase of the Securities. The Company further represents to the Buyer that the Company's decision to enter into this Agreement has been based solely on the independent evaluation by the Company and its representatives.

h. No Integrated Offering. Neither the Company, nor any of its affiliates, nor any person acting on its or their behalf, has directly or indirectly made any offers or sales in any security or solicited any offers to buy any security under circumstances that would require registration under the Securities Act of the issuance of the Securities to the Buyer. The issuance of the Securities to the Buyer will not be integrated with any other issuance of the Company's securities (past, current or future) for purposes of any shareholder approval provisions applicable to the Company or its securities.

4. Expenses. Each of the parties hereto shall pay its own fees and expenses (including the fees of any attorneys, accountants, appraisers or others engaged by such party) in connection with this Agreement and the transactions contemplated hereby whether or not the transactions contemplated hereby are consummated.

5. Miscellaneous.

a. Governing Law. This Agreement shall be governed by and interpreted in accordance with the laws of the State of Nevada without regard to the principles of conflict of laws. The parties further agree that any action between them shall be heard exclusively in federal or state court sitting in Clark County, Nevada, and expressly consent to the jurisdiction and venue of the Supreme Court of Nevada, sitting in Douglas County and the United States District Court for the District of Nevada for the adjudication of any civil action asserted pursuant to this paragraph. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by law.

b. Counterparts; Signatures by Facsimile. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which shall constitute one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party. hereto by facsimile or other electronic transmission of a copy of this Agreement bearing the signature of the party so delivering this Agreement.

d. Severability. In the event that any provision of this Agreement is invalid or unenforceable under any applicable statute or rule of law, then such provision shall be deemed inoperative to the extent that it may conflict therewith and shall be deemed modified to conform with such statute or rule of law. Any provision hereof which may prove invalid or unenforceable under any law shall not affect the validity or enforceability of any other provision hereof.

e. Entire Agreement; Amendments. This Agreement and the instruments referenced herein contain the entire understanding of the parties with respect to the matters covered herein and therein and, except as specifically set forth herein or therein, neither the Company nor the Buyer makes any representation, warranty, covenant or undertaking with respect to such matters. No provision of this Agreement may be waived or amended other than by an instrument in writing signed by the majority in interest of the Buyer and by the Company.

f. Rescission and Withdrawal Right. Notwithstanding anything to the contrary contained in this Agreement, whenever Buyer exercises a right, election, demand or option under this Agreement and the Company does not timely perform its related obligations within the periods therein provided, then Buyer may rescind or withdraw, in its sole discretion from time to time upon written notice to the Company, any relevant notice, demand or election in whole or in part without prejudice to its future actions and rights; provided, however, that, in the case of a rescission of a conversion of a Note or exercise of a Warrant, the applicable Buyer shall be required to return any shares of Common Stock subject to any such rescinded conversion or exercise notice concurrently with the return to such Buyer of the aggregate exercise price paid to the Company for such shares and the restoration of such Buyer's right to acquire such shares pursuant to such Buyer's Warrant (including, issuance of a replacement warrant certificate evidencing such restored right).

ANTI MONEY LAUNDERING REQUIREMENTS

The USA PATRIOT Act

The USA PATRIOT Act is designed to detect, deter, and punish terrorists in the United States and abroad. The Act imposes new anti-money laundering requirements on brokerage firms and financial institutions. Since April 24, 2002 all brokerage firms have been required to have new, comprehensive anti-money laundering programs.

To help you understand these efforts, we want to provide you with some information about money laundering and our steps to implement the USA PATRIOT Act.

What is money laundering?

Money laundering is the process of disguising illegally obtained money so that the funds appear to come from legitimate sources or activities. Money laundering occurs in connection with a wide variety of crimes, including illegal arms sales, drug trafficking, robbery, fraud, racketeering, and terrorism.

How big is the problem and why is it important?

The use of the U.S. financial system by criminals to facilitate terrorism or other crimes could well taint our financial markets. According to the U.S. State Department, one recent estimate puts the amount of worldwide money laundering activity at \$1 trillion a year.

What are we required to do to eliminate money laundering?

Under rules required by the USA PATRIOT Act, our anti-money laundering program must designate a special compliance officer, set up employee training, conduct independent audits, and establish policies and procedures to detect and report suspicious transaction and ensure compliance with such laws. As part of our required program, we may ask you to provide various identification documents or other information. We will ask you for your name, address, date of birth and other information that will allow us to identify you. We will ask to see a non-expired valid issued government identification, such as your driver's license or other identifying documents. Until you provide the information or documents we need, we may not be able to effect any transactions for you.

ANTI-MONEY LAUNDERING INFORMATION FORM

The following is required in accordance with the AML provision of the USA PATRIOT ACT.

RED CAT HOLDINGS, INC.

CONVERTIBLE NOTE

Issuance Date: _____, 2020

Original Principal Amount: \$ _____

FOR VALUE RECEIVED, RED CAT HOLDINGS, INC., a Nevada corporation (the "Company"), hereby promises to pay to or his registered assign (the "Holder"), the amount set out above as the Original Principal Amount when due, whether upon the Maturity Date (as defined below), acceleration or otherwise (in each case in accordance with the terms hereof) and to pay interest ("Interest") on the outstanding Principal Amount at the Interest Rate (as defined below) from the date set out above as the Issuance Date (the "Issuance Date") until the same becomes due and payable, upon the Maturity Date, acceleration or conversion (in each case in accordance with the terms hereof).

(1) GENERAL TERMS

(a) Payment of Principal. The "Maturity Date" shall be two years from the Issuance Date, unless an Event of Default (as defined below) shall have occurred and be continuing.

(b) Interest. Interest shall accrue at a rate of 12% ("Interest Rate") per annum and shall be applied to the outstanding Original Principal Amount. Interest hereunder shall be paid on the Maturity Date (or sooner as provided herein) to the Holder or its assignee in whose name this Note is registered on the records of the Company regarding registration and transfers of Notes in cash, or in shares of common stock of the Company (the "Common Stock") at the Conversion Price (as defined below).

(c) Security. This Note shall not be secured by any collateral or any assets pledged to the Holder.

(i) Prepayment. Notwithstanding anything contained herein to the contrary, the Company shall have the right to prepay all or any portion of the outstanding Principal Amount and accrued interest thereon, without penalty or premium, upon no less than ten business days' prior notice to the Holder *provided* that (i) such amount must be paid in cash on the next business day following such 10 business day notice period, and (ii) the Holder may still convert this Note pursuant to the terms hereof at all times until such prepayment amount has been received in full.

(2) TERMS OF FUTURE FINANCINGS.

(a) So long as this Note is outstanding, upon any issuance by the Company of any security, or an amendment to a security that was issued before the date hereof, with any term that the Holder reasonably believes is more favorable to the holder of such security or with a term in favor of the holder of such security that the Holder reasonably believes was not similarly provided to the Holder, (I) the Company shall notify the Holder of such additional or more favorable term within one (1) business day of the issuance and/or amendment (as applicable) of the respective security, and (ii) such term, at Holder's option, shall become a part of this Note regardless of whether the Company has complied with the notification provision of this section. The types of terms contained in another security that may be more favorable to the holder of such security include, but are not limited to, terms addressing conversion discounts, prepayment rate, conversion lookback periods, interest rates, and original issue discounts. Notwithstanding the foregoing, the issuance of any security which is an Exempt Issuance (as defined below) shall not entitle to the Holder to such more favorable term.

(3) CONVERSION OF NOTE. This Note shall be convertible into shares of the Company's Common Stock, on the terms and conditions set forth in this Section 3.

(i) "Conversion Amount" means the portion of the Original Principal Amount and interest to be converted.

(ii) "Conversion Price" shall be the lower of (a) \$1.00, if the conversion herein occurs prior a Qualified Offering, or (b) a 25% discount of the price per share of Common Stock offered in the Qualified Offering, if the conversion herein occurs simultaneous with the Qualified Offering.

(iii) "Exempt Issuance" shall mean the issuance of (a) shares of Common Stock or options to employees, officers or directors of the Company pursuant to any stock or option plan duly adopted for such purpose, (b) securities upon the exercise or exchange of or conversion of any Shares issued hereunder and/or other securities exercisable or exchangeable for or convertible into shares of Common

Stock issued and outstanding on the date of this Agreement, unless an amendment thereto effects or changes the conversion price thereof or provides the holder thereof with a term which is more favorable than the term on effect as of the date hereof (in which case such amendment would not be considered an Exempt Issuance), and (c) securities issued pursuant to acquisitions or strategic transactions approved by the Board of Directors of the Company.

(iv) "Qualified Offering" shall mean an offering of Common Stock (and other securities potentially) resulting in the listing for trading of the Common Stock on the NYSE American, the Nasdaq Capital Market, the Nasdaq Global Market, the Nasdaq Global Select Market or the New York Stock Exchange (or any successors to any of the foregoing).

(v) "VWAP" means the thirty (30) day volume weighted average of the closing price of a share of Common Stock as listed or quoted on the market in which the shares of the Company are then traded or listed.

(a) Optional Conversion. The Holder may, in its sole discretion, determine to convert all or part of the outstanding Principal Amount due hereunder and any accrued interest thereon into fully paid and nonassessable shares of Common Stock at the Conversion Price. The number of shares of Common Stock issuable upon conversion of any Conversion Amount pursuant to this Section 3(a) shall be equal to the quotient of dividing the Conversion Amount by the Conversion Price. The Company shall not issue any fraction of a share of Common Stock upon any conversion. If the issuance would result in the issuance of a fraction of a share of Common Stock, the Company shall round such fraction of a share of Common Stock up to the nearest whole share. The Company shall pay any and all transfer agent fees, legal fees, costs and any other fees or costs that may be incurred or charged in connection with the issuance of shares of the Company's Common Stock to the Holder arising out of or relating to the conversion of this Note; provided, however, that the Holder shall pay any transfer taxes.

(b) Mandatory Conversion. Simultaneous with the consummation of a Qualified Offering, the outstanding Principal Amount due hereunder and all accrued interest hereon shall automatically be converted into fully paid and nonassessable shares of Common Stock at the Conversion Price. The number of shares of Common Stock issuable upon conversion of any Conversion Amount pursuant to this Section 3(b) shall be equal to the quotient of dividing the Conversion Amount by the Conversion Price. The Company shall not issue any fraction of a share of Common Stock upon any conversion. If the issuance would result in the issuance of a fraction of a share of Common Stock, the Company shall round such fraction of a share of Common Stock up to the nearest whole share. The Company shall pay any and all transfer agent fees, legal fees, costs and any other fees or costs that may be incurred or charged in connection with the issuance of shares of the Company's Common Stock to the Holder arising out of or relating to the conversion of this Note; provided, however, that the Holder shall pay any transfer taxes.

(c) Conversion Notice.

(i) To convert any portion of this Note into shares of Common Stock on any date (a "Conversion Date") pursuant to Section 3(a), the Holder shall (A) transmit by email, facsimile (or otherwise deliver), for receipt on or prior to 5:30 p.m., Pacific Time, on such date, a copy of an executed notice of conversion in the form attached hereto as Exhibit A (the "Conversion Notice") to the Company. On or before the tenth business day following the date of receipt of a Conversion Notice (the "Share Delivery Date"), the Company shall (A) if legends are not required to be placed on certificates of Common Stock pursuant to the then existing provisions of Rule 144 of the Securities Act of 1933 ("Rule 144") and provided that the transfer agent for the Company is participating in the Depository Trust Company's ("DTC") Fast Automated Securities Transfer Program, credit such aggregate number of shares of Common Stock to which the Holder shall be entitled to the Holder's or its designee's balance account with DTC through its Deposit Withdrawal Agent Commission system or (B) if a restrictive legend is required to be placed on the certificates of Common Stock, issue and deliver to the address as specified in the Conversion Notice, a certificate, registered in the name of the Holder or its designee, for the number of shares of Common Stock to which the Holder shall be entitled, with a restrictive legend imposed thereon.

(ii) Book-Entry. Notwithstanding anything to the contrary set forth herein, upon conversion of any portion of this Note in accordance with the terms hereof, the Holder shall not be required to physically surrender this Note to the Company unless (A) the full Conversion Amount represented by this Note is being converted at the option of the Holder or (B) the Holder has provided the Company with prior written notice (which notice may be included in a Conversion Notice) requesting reissuance of this Note upon physical surrender of this Note. The Holder and the Company shall maintain records showing the Principal and Interest converted and the dates of such conversions or shall use such other method, reasonably satisfactory to the Holder and the Company, so as not to require physical surrender of this Note upon conversion.

(d) Limitations on Conversions or Trading.

(i) Beneficial Ownership. The Company shall not effect any conversions of this Note and the Holder shall not have the right to convert any portion of this Note or receive shares of Common Stock as payment of interest hereunder to the extent that after giving effect to such conversion or receipt of such interest payment, the Holder, together with any affiliate thereof, would beneficially own (as determined in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended, and the rules promulgated thereunder) in excess of 9.99% of the number of shares of Common Stock outstanding immediately after giving effect to such conversion or receipt of shares as payment of interest. Since the Holder will not be obligated to report to the Company the number of shares of Common Stock it may hold at the time of a conversion hereunder, unless the conversion at issue would result in the issuance of shares of Common Stock in excess of 9.99% of the then outstanding shares of Common Stock without regard to any other shares which may be beneficially owned by the Holder or an affiliate thereof, the Holder shall have the authority and obligation to determine whether the restriction contained in this Section will limit any particular conversion hereunder and to the extent that the Holder determines that the limitation contained in this Section applies, the determination of which portion of the principal amount of this Note is convertible shall be the responsibility and obligation of the Holder. If the Holder has delivered a Conversion Notice for a principal amount of this Note that, without regard to any other shares that the Holder or its affiliates may beneficially own, would result in the issuance in excess of the permitted amount hereunder, the Company shall notify the Holder

of this fact and shall honor the conversion for the maximum principal amount permitted to be converted on such Conversion Date in accordance with Section 3(a) and, any principal amount tendered for conversion in excess of the permitted amount hereunder shall remain outstanding under this Note. The provisions of this Section may be waived by Holder upon written notification to the Company.

(e) Dilutive Issuance. If the Company, at any time while this Note is outstanding, issues, sells or grants (or has issued, sold or granted as of the issue date, as the case may be) any option to purchase, or sells or grants any right to reprice, or otherwise disposes of, or issues (or has sold or issued, as the case may be, or announces any sale, grant of any option to purchase or other disposition), any Common Stock or other securities convertible into, exercisable for, or that otherwise entitle any person or entity the right to acquire, shares of Common Stock, in each or any case at an effective price per share that is lower than the then Conversion Price (such lower price, the “Base Conversion Price” and such issuances, collectively, a “Dilutive Issuance”) (it being agreed that if the holder of the Common Stock or other securities so issued shall at any time, whether by operation of purchase price adjustments, reset provisions, floating conversion, or exchange prices or otherwise, due to warrants, options or rights per share which are issued in connection with such issuance, be entitled to receive shares of Common Stock at an effective price per share that is lower than the Conversion Price, such issuance shall be deemed to have occurred for less than the Conversion Price on such date of the Dilutive Issuance), then the Conversion Price shall be reduced, at the option of the Holder, to a price equal to the Base Conversion Price. If the Company enters into a variable rate transaction the Company shall be deemed to have issued Common Stock pursuant to this provision at the lowest possible price per share at which such securities could be issued in connection with such variable rate transaction. Such adjustment shall be made whenever such Common Stock or other securities are issued. Notwithstanding the foregoing, no adjustment will be made under this Section 3(e) in respect of an Exempt Issuance. In the event of an issuance of securities involving multiple tranches or closings, any adjustment pursuant to this Section 3(e) shall be calculated as if all such securities were issued at the initial closing.

(f) Other Provisions.

(i) The Company shall at all times reserve and keep available out of its authorized Common Stock the full number of shares of Common Stock issuable upon conversion of all outstanding amounts under this Note.

(ii) All calculations under this Section 3 shall be rounded off to the nearest \$0.001.

(iii) Nothing herein shall limit a Holder's right to pursue actual damages or declare an Event of Default pursuant to Section 2 herein for the Company's failure to deliver certificates representing shares of Common Stock upon conversion within the period specified herein and such Holder shall have the right to pursue all remedies available to it at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief, in each case without the need to post a bond or provide other security. The exercise of any such rights shall not prohibit the Holder from seeking to enforce damages pursuant to any other Section hereof or under applicable law.

(4) EVENTS OF DEFAULT.

(a) An “Event of Default”, wherever used herein, means any one of the following events (whatever the reason and whether it shall be voluntary or involuntary or effected by operation of law or pursuant to any judgment, decree or order of any court, or any order, rule or regulation of any administrative or governmental body):

(i) The Company's failure to pay to the Holder any amount of the then outstanding Original Principal Amount or Interest when and as due under this Note;

(ii) The Company or any subsidiary of the Company shall commence, or there shall be commenced against the Company or any subsidiary of the Company under any applicable bankruptcy or insolvency laws as now or hereafter in effect or any successor thereto, or the Company or any subsidiary of the Company commences any other proceeding under any reorganization, arrangement, adjustment of debt, relief of debtors, dissolution, insolvency or liquidation or similar law of any jurisdiction whether now or hereafter in effect relating to the Company or any subsidiary of the Company or there is commenced against the Company or any subsidiary of the Company any such bankruptcy, insolvency or other proceeding which remains undismissed for a period of 61 business days; or the Company or any subsidiary of the Company is adjudicated insolvent or bankrupt; or any order of relief or other order approving any such case or proceeding is entered; or the Company or any subsidiary of the Company suffers any appointment of any custodian, private or court appointed receiver or the like for it or any substantial part of its property which continues undischarged or unstayed for a period of 61 business days; or the Company or any subsidiary of the Company makes a general assignment for the benefit of creditors; or the Company or any subsidiary of the Company shall fail to pay, or shall state that it is unable to pay, or shall be unable to pay, its debts generally as they become due; or the Company or any subsidiary of the Company shall call a meeting of its creditors with a view to arranging a composition, adjustment or restructuring of its debts; or the Company or any subsidiary of the Company shall by any act or failure to act expressly indicate its consent to, approval of or acquiescence in any of the foregoing; or any corporate or other action is taken by the Company or any subsidiary of the Company for the purpose of effecting any of the foregoing;

(iii) The Company shall default in any of its obligations under this Note;

(iv) That upon any event of default (as defined herein) after the Issue Date, the Conversion Price shall equal the lower of (i) the VWAP, if the conversion herein occurs prior a Qualified Offering, or (ii) sixty percent (65%) multiplied by the lowest closing price of the Common Stock during the twenty (20) consecutive trading day period immediately preceding the date of the respective conversion (the “Alternate Conversion Price”);

(v) The Company (i) fails to issue Conversion Shares to the Holder (or announces or threatens in writing that it will not honor its obligation to do so) upon exercise by the Holder of the conversion rights of the Holder in accordance with the terms of this Note, (ii) fails to transfer or cause its transfer agent to transfer (issue) (electronically or in certificated form) any certificate for the Conversion

Shares issuable to the Holder upon conversion of or otherwise pursuant to this Note as and when required by this Note, (iii) reserve the reserved amount at all times, or (iii) the Company directs its transfer agent not to transfer or delays, impairs, and/or hinders its transfer agent in transferring (or issuing) (electronically or in certificated form) any certificate for the Conversion Shares issuable to the Holder upon conversion of or otherwise pursuant to this Note as and when required by this Note, or fails to remove (or directs its transfer agent not to remove or impairs, delays, and/or hinders its transfer agent from removing) any restrictive legend (or to withdraw any stop transfer instructions in respect thereof) on any certificate for any Conversion Shares issued to the Holder upon conversion of or otherwise pursuant to this Note as and when required by this Note (or makes any written announcement, statement or threat that it does not intend to honor the obligations described in this paragraph) and any such failure shall continue uncured (or any written announcement, statement or threat not to honor its obligations shall not be rescinded in writing) for two (2) Trading Days after the Holder shall have delivered a Notice of Conversion. It is an obligation of the Company to remain current in its obligations to its transfer agent. It shall be an Event of Default of this Note, if a conversion of this Note is delayed, hindered or frustrated due to a balance owed by the Borrower to its transfer agent. If at the option of the Holder, the Holder advances any funds to the Borrower's transfer agent in order to process a conversion, such advanced funds shall be paid by the Company to the Holder within forty-eight (48) hours of a demand from the Holder;

(vi) The Company shall fail to maintain the listing of the Common Stock on at least one of the Over the Counter Bulletin Board, the OTCQB Market, any level of the OTC Markets, or any level of the Nasdaq Stock Market or the New York Stock Exchange (including the NYSE American);

(vii) At any time after the Issue Date, the Borrower shall fail to comply with the reporting requirements of the 1934 Act and/or the Borrower shall cease to be subject to the reporting requirements of the 1934 Act;

(viii) The failure by the Company to maintain any material intellectual property rights, personal, real property or other assets which are necessary to conduct its business (whether now or in the future);

(ix) The restatement of any financial statements filed by the Borrower with the SEC for any date or period from two years prior to the Issue Date of this Note and until this Note is no longer outstanding, if the result of such restatement would, by comparison to the unrestated financial statement, have constituted a material adverse effect on the rights of the Holder with respect to this Note or the Purchase Agreement;

(x) In the event that the Company proposes to replace its transfer agent and the Company fails to provide, prior to the effective date of such replacement, a fully executed irrevocable transfer agent letter (including but not limited to a provision to irrevocably reserve shares of Common Stock in the reserved amount) signed by the successor transfer agent and the Company;

(xi) The DTC places a "chill" (i.e. a restriction placed by DTC on one or more of DTC's services, such as limiting a DTC participant's ability to make a deposit or withdrawal of the security at DTC) on any of the Borrower's securities;

(xii) In addition to the Event of Default in this section, the Common Stock is otherwise not eligible for trading through the DTC's Fast Automated Securities Transfer or Deposit/Withdrawal at Custodian programs; and

(xiii) If, at any time on or after the date which is six (6) months after the Issue Date, except due to the Holder's actions or inactions, the Holder is unable to (I) obtain a standard "144 legal opinion letter" from an attorney reasonably acceptable to the Holder, the Holder's brokerage firm (and respective clearing firm), and the Borrower's transfer agent in order to facilitate the Holder's conversion of any portion of the Note into free trading shares of the Borrower's Common Stock pursuant to Rule 144, and/or (ii) thereupon deposit such shares into the Holder's brokerage account.

(b) Upon notice by Holder and during the continuation of any Event of Default specified in this section, this Note shall become immediately due and payable and the Company shall pay to the Holder, in full satisfaction of its obligations hereunder, an amount (the "Default Amount") equal to the principal amount then outstanding plus accrued interest (including any default interest) through the date of full repayment multiplied by 130%. Holder may, in its sole discretion, determine to accept payment part in Common Stock and part in cash. Upon an uncured Event of Default, all amounts payable hereunder shall immediately become due and payable, all without demand, presentment or notice, all of which hereby are expressly waived by the Company, together with all costs, including, without limitation, legal fees and expenses, of collection, and the Holder shall be entitled to exercise all other rights and remedies available at law or in equity, including, without limitation, those set forth herein.

(5) REISSUANCE OF THIS NOTE.

(a) Assignability. This Note will be binding upon the Company and its successors and will inure to the benefit of the Holder and its successors and assigns and may be assigned by the Holder with prior written consent of the Company, which consent shall not be unreasonably withheld.

(b) Lost, Stolen or Mutilated Note. This Warrant and the Warrant Shares issuable upon exercise of this Warrant may not be assigned, transferred, sold, or otherwise disposed of unless (i) there is in effect a registration statement under the Act covering such sale, transfer, or other disposition or (ii) the Holder furnishes to the Company an opinion of counsel, reasonably acceptable to counsel for the Company, to the effect that the proposed sale, transfer, or other disposition may be effected without registration under the Act, as well as such other documentation incident to such sale, transfer, or other disposition as the Company's counsel shall reasonably request.

(b) Legend. Any Warrant Shares issued upon the exercise of this Warrant shall bear substantially the following legend:

"The shares represented by this certificate have not been registered under the Securities Act of 1933, as amended. The shares have been acquired for investment and may not be offered, sold or otherwise transferred in the absence of an effective registration statement and with respect to the shares or an exemption from the registration requirements of said act that is then applicable to the shares, as to which a prior opinion of counsel acceptable to the issuer or transfer agent may be required."

The Company covenants that all shares of Common Stock which shall be issuable upon exercise of this Warrant shall be duly and validly issued and fully paid and non-assessable and free from all taxes, liens, and charges with respect to the issue thereof.

5. LOSS OR MUTILATION.

If the Holder loses this Warrant, or if this Warrant is stolen, destroyed or mutilated, the Company shall issue an identical replacement Warrant upon the Holder's delivery to the Company of a customary agreement to indemnify the Company for any losses resulting from the issuance of the replacement Warrant.

6. PROVISIONS REGARDING ADJUSTMENTS TO STOCK.

(a) Stock Dividends, Subdivisions, Combinations and Similar Events. The number of shares of Common Stock for which this Warrant is exercisable shall be adjusted to reflect (that is, to provide the same after-conversion percentage ownership as if the following event had not occurred) any (i) forward and reverse stock splits, stock dividends, and similar events which, while they change the number of shares outstanding, do not change the relative ownership of the stockholders; and (ii) capital reorganizations, mergers, and similar events which cause changes in the common stock into which a convertible security may be converted or for which a warrant or option may be exercised.

(b) Certificate as to Adjustments. Upon the occurrence of each adjustment or readjustment of the Purchase Price, the Company, at its expense, shall promptly compute such adjustment or readjustment in accordance with the terms hereof and prepare and furnish to the Holder a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based. The Company shall, upon the written request at any time of the Holder, furnish or cause to be furnished to such holder a like certificate setting forth (i) such adjustments and readjustments, (ii) the Purchase Price at the time in effect for this Warrant and (iii) the number of shares of Common Stock and the amount, if any, or other property which at the time would be received upon the exercise of this Warrant.

(c) Notices of Record Date. In the event of any fixing by the Company of a record date for the holders of any class of securities for the purpose of determining the holders thereof who are entitled to receive any dividend (other than a cash dividend) or other distribution, any shares of Common Stock or other securities, or any right to subscribe for, purchase or otherwise acquire, or any option for the purchase of, any shares of stock of any class or any other securities or property, or to receive any other right, the Company shall mail to the Holder at least thirty (30) days prior to the date specified therein, a notice specifying the date on which any such record is to be taken for the purpose of such dividend, distribution or rights, and the amount and character of such dividend, distribution or right.

(d) Merger, Consolidation, etc. In case of any capital reorganization or any reclassification of the capital stock of the Company or in case of the consolidation or merger of the Company with another corporation (or in the case of any sale, transfer, or other disposition to another corporation of all or substantially all the property, assets, business, and goodwill of the Company), the Holder of this Warrant shall thereafter be entitled to purchase the kind and amount of shares of capital stock which this Warrant entitled the Holder to purchase immediately prior to such capital reorganization, reclassification of capital stock, consolidation, merger, sale, transfer, or other disposition; and in any such case appropriate adjustments shall be made in the application of the provisions of this Section 6 with respect to rights and interests thereafter of the Holder of this Warrant to the end that the provisions of this Section 6 shall thereafter be applicable, as near as reasonably may be, in relation to any shares or other property thereafter purchasable upon the exercise of this Warrant.

(e) Fractional Shares. No certificate for fractional shares shall be issued upon the exercise of this Warrant, but in lieu thereof the Company shall purchase any such fractional shares calculated to the nearest cent or round up the fraction to the next whole share.

(f) Rights of the Holder. The Holder of this Warrant shall not be entitled to any rights of a shareholder of the Company in respect of any Warrant Shares purchasable upon the exercise hereof until such Warrant Shares have been paid for in full and issued to it. As soon as practicable after such exercise, the Company shall deliver a certificate or certificates for the number of full shares of Common Stock issuable upon such exercise, to the person or persons entitled to receive the same.

7. REPRESENTATIONS AND WARRANTIES.

The Holder, by acceptance of this Warrant, represents and warrants to, and covenants and agrees with, the Company as follows:

(a) The Warrant is being acquired for the Holder's own account for investment and not with a view toward resale or distribution of any part thereof, and the Holder has no present intention of selling, granting any participation in, or otherwise distributing the same.

(b) The Holder is aware that the Warrant is not registered under the Act or any state securities or blue-sky laws and, as a result, substantial restrictions exist with respect to the transferability of the Warrant and the Warrant Shares to be acquired upon exercise of the Warrant.

(c) The Holder is an accredited investor as defined in Rule 501(a) of Regulation D under the Act and is a sophisticated investor familiar with the type of risks inherent in the acquisition of securities such as the Warrant, and its financial position is such that it can afford to retain the Warrant and the Warrant Shares for an indefinite period of time without realizing any direct or indirect cash return on this investment.

8. NO IMPAIRMENT.

The Company shall not by any action including, without limitation, amending its certificate of incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be necessary or appropriate to protect the rights of Holder against impairment. Without limiting the generality of the foregoing, the Company will (a) not increase the par value of any shares of Common Stock receivable upon the exercise of this Warrant above the amount payable therefore upon such exercise immediately prior to such increase in par value, (b) take all such actions as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and non assessable shares of Common Stock upon the exercise of this Warrant, and (c) use its best efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof as may be necessary to enable the Company to perform its obligations under this Warrant. Upon the request of Holder, the Company will at any time during the period this Warrant is outstanding acknowledge in writing, in form satisfactory to Holder, the continuing validity of this Warrant and the obligations of the Company hereunder.

9. REGISTRATION RIGHTS.

If at any time after the date hereof the Company shall determine to prepare and file with the Securities and Exchange Commission (the "Commission") a registration statement relating to an offering for its own account or the account of others under the Securities Act of 1933, as amended, of any of its equity securities (other than a registration statement on Form S-4 or Form S-8), then the Company shall send to the Holder written notice of such determination. Within ten (10) calendar days after receipt of such notice, the Holder shall so request in writing, the Company shall include in such registration statement all or any part of the Warrant Shares such Holder requests to be registered and prepare and file the Registration Statement with the Commission and shall use its commercially reasonable efforts to have the registration statement declared effective by the Commission as soon as reasonably practicable. All expenses incurred by the Company in complying with this provision, including, without limitation, all registration and filing fees, printing expenses (if required), fees and disbursements of counsel and independent public accountants for the Company, fees and expenses (including reasonable counsel fees) incurred in connection with complying with state securities or "blue sky" laws, fees of the NASD, transfer taxes, and fees of transfer agents and registrars, are called "Registration Expenses." All selling commissions applicable to the sale of Warrant Shares pursuant to this provision are called "Selling Expenses." The Company will pay all Registration Expenses in connection with the registration statement under this section. Selling Expenses in connection with each registration statement shall be borne by the Holder and will be apportioned among such Holders in proportion to the number of Warrant Shares included therein for a Holder relative to all the securities included therein for all selling holders, or as all Holders may agree.

10. SUPPLYING INFORMATION.

The Company shall cooperate with Holder and each holder of Warrant Shares in supplying such information pertaining to the Company as may be reasonable necessary for such Holder and each holder of Warrant Shares to complete and file any information reporting forms presently or hereafter required by the Securities and Exchange Commission as a condition to the availability of an exemption from the Act for the sale of Warrant Shares.

11 LIMITATION OF LIABILITY.

No provision hereof, in the absence of affirmative action by Holder to purchase shares of Common Stock, and no enumeration herein of the rights or privileges of Holder hereof, shall give rise to any liability of Holder for the purchase price of any Common Stock or as a stockholder of the Company, whether such liability is asserted by the Company or by creditors of the Company.

12 MISCELLANEOUS.

(a) Transfer Taxes; Expenses. The Holder shall pay any and all underwriters' discounts, brokerage fees, and transfer taxes, as may be applicable, incident to the sale of this Warrant or the sale of the underlying shares issuable hereunder, and shall pay the fees and expenses of any special attorneys or accountants retained by it.

(b) Successors and Assigns. Subject to compliance with the provisions of Section 3, this Warrant and the rights evidenced hereby shall inure to the benefit of and be binding upon the successors of the Company and the successors and assigns of Holder. The provisions of this Warrant are intended to be for the benefit of all Holders from time to time of this Warrant, and shall be enforceable by any such Holder.

(c) Notice. Any notice or other communication required or permitted to be given to the Company shall be in writing and shall be delivered by certified mail with return receipt or delivered in person against receipt, addressed to the Company at 1040 First Avenue, Suite 190, New York, NY 10022.

(d) Governing Law. This Warrant Certificate shall be governed by, and construed in accordance with, the internal laws of the State of Nevada, without reference to the conflicts of laws provisions thereof.
