This year’s Annual Meeting will be held on June 18, 2025. Similar to last year, the meeting will be held in a telephonic format to allow for greater participation by all stockholders, regardless of location. The Annual Meeting will begin at 12 p.m. Eastern Time and can be accessed by calling toll free at 877-407-3088.

The matters expected to be acted upon at the Annual Meeting are listed in the Notice of Annual Meeting of Stockholders and are more fully described in the accompanying proxy statement. We have also made available or provided our Transition Report on Form 10-KT for the eight-month transition period ended December 31, 2024 (the “2024 Transition Report”), which contains important business and financial information regarding Red Cat.

We are mailing a Notice of Internet Availability of Proxy Materials to most of our stockholders beginning on or about April 28, 2025. All stockholders who do not receive the Notice of Internet Availability will receive a printed copy of the proxy materials.

Your vote is important. Whether or not you plan to attend the Annual Meeting, to ensure that your shares will be represented, please cast your vote as soon as possible via the internet, or, if you received a paper proxy card and voting instructions by mail, by completing and returning the enclosed proxy card in the postage-prepaid envelope. Sincerely,

/s/ Jeffrey M. Thompson

This Proxy Statement contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These statements may include, but are not limited to, statements regarding our future operations, financial condition, results of operations, performance, prospects, growth strategies and business plans. Forward-looking statements can be identified by words such as “anticipates,” “believes,” “estimates,” “expects,” “intends,” “may,” “plans,” “projects,” “will,” “would” and similar expressions. Actual results could differ materially from those projected in these forward-looking statements as a result of a number of risks and uncertainties, including, among others:

- changes in macroeconomic conditions, including inflation, interest rates, and geopolitical conflicts;
- the imposition or increase of tariffs and other trade barriers that could impact the cost of raw materials, components, and finished goods;
- delays or disruptions in our supply chain due to global trade restrictions or political instability;
- fluctuations in customer demand in response to broader economic conditions;
- and the other risk factors discussed in our Transition Report on Form 10-KT for the eight-month period ended December 31, 2024.

These forward-looking statements speak only as of the date of this Proxy Statement. We do not undertake, and expressly disclaim, any obligation to update any forward-looking statements after the date of this Proxy Statement, except as required by law.

INFORMATION ABOUT SOLICITATION AND VOTING

The accompanying proxy is solicited on behalf of the board of directors of Red Cat Holdings, Inc. (“we,” “us,” the “Company,” “our company” or “Red Cat”) for use at our 2025 Annual Meeting of Stockholders (the “Annual Meeting”), to be held as an audio-only conference call by calling 877-407-3088 (Toll Free) on June 18, 2025 at 12 p.m. Eastern Time, and any adjournment or postponement thereof. Beginning on or about April 28, 2025, a Notice of Internet Availability of Proxy Materials (the “Notice of Internet Availability”), which contains instructions on how to access this proxy statement for the Annual Meeting (this “Proxy Statement”) and our Transition Report on Form 10-KT for the eight-month transition period ended December 31, 2024 (the “Transition Report”), is being mailed to our stockholders. The eight-month transition period ended December 31, 2024, is also referred to herein as “Transition Year Ended 2024.”

INTERNET AVAILABILITY OF PROXY MATERIALS

We are using the internet as the primary means for furnishing proxy materials to stockholders. Consequently, most stockholders will not receive paper copies of our proxy materials. We will instead send these stockholders a Notice of Internet Availability with instructions for accessing the proxy materials online, including this Proxy Statement and our 2024 Transition Report, and for voting via the internet or by mail. The Notice of Internet Availability also provides information on how stockholders may obtain paper copies of our proxy materials if they so choose. We encourage stockholders to take advantage of the online availability of proxy materials, as we believe it helps in conserving natural resources and reduces our printing and mailing costs.

GENERAL INFORMATION ABOUT THE MEETING

What is the purpose of the Annual Meeting?

The purpose is to have stockholders vote upon the proposals described in this Proxy Statement.

What proposals are scheduled to be voted on at the Annual Meeting?

Stockholders will be asked to vote upon the following proposals:

1. The election of each of the five (5) directors set forth in Proposal One to serve for a term of one year or until such director’s successor is duly elected and qualified or until such director’s earlier death, resignation, disqualification or removal.
2. The ratification of the appointment of *dbbmckennon* as our independent registered public accounting firm for the fiscal year ending December 31, 2025.
3. Approval of the potential issuance of shares of common stock to Lind Global Asset Management XI LLC and Lind Global Asset Management X LLC, as further described below.
4. Other business that may properly come before the Annual Meeting.

6

What is the recommendation of our Board of Directors on each of the proposals scheduled to be voted upon at the Annual Meeting?

Our Board of Directors recommends that you vote your shares:

FOR each of the nominees to the Board of Directors (Proposal One);

FOR the ratification of the appointment of *dbbmckennon* as our independent registered public accounting firm for the fiscal year ending December 31, 2025 (Proposal Two); and

FOR the approval of the potential issuance of shares of common stock to Lind Global Asset Management XI LLC and Lind Global Asset Management X LLC (Proposal Three).

Why are we having a virtual only meeting?

We are pleased to offer our stockholders a telephonic Annual Meeting, which provides worldwide access, improved communication and cost savings to us and our stockholders.

Who may attend and how do I attend?

All holders of our common stock as of the Record Date, or their duly appointed proxies, may attend the Annual Meeting (via phone call). Set forth below is a summary of the information you need to attend the Annual Meeting:

- Access the audio-only conference call by calling 877-407-3088 (Toll Free) or +1-877-407-3088 (International);
- Instructions on how to attend and participate in the Annual Meeting, including how to demonstrate proof of stock ownership, are also available as follows:

Stockholders of Record: Stockholders of record as of the Record Date can attend the Annual Meeting by calling the live audio conference call at +1-877-407-3088 and presenting your unique control number.

Beneficial Owners: If you were a beneficial owner of record as of the Record Date (i.e., you held your shares in an account at a brokerage firm, bank or other similar agent), you will need to obtain a legal proxy from your broker, bank or other agent. Once you have received a legal proxy from your broker, bank or other agent, it should be emailed to our transfer agent, Equity Stock Transfer, at proxy@equitystock.com and should be labeled “Legal Proxy” in the subject line. Please include proof from your broker, bank or other agent of your legal proxy (e.g., a forwarded email from your broker, bank or other agent with your legal proxy attached, or an image of your valid proxy attached to your email). Requests for registration must be received by Equity Stock Transfer no later than 5:00 p.m. Eastern Time, on June 17, 2025. You will then receive a confirmation of your registration, with a control number, by email from Equity Stock Transfer. Access the live audio conference call at +1-877-407-3088 and present your unique control number.

- Stockholders may submit live questions on the conference line while attending the Annual Meeting.

What if I have technical difficulties or trouble accessing the telephonic Annual Meeting?

We will have technicians ready to assist you with any technical difficulties you may have in accessing the Annual Meeting. If you encounter any difficulties, please call: 877-

A replay of the Annual Meeting will be posted as soon as practical on www.redcat.vote.

Who can vote at the Annual Meeting?

Stockholders as of the Record Date are entitled to vote at the Annual Meeting. At the close of business on April 15, 2025, there were 90,513,926 shares of our common stock outstanding and entitled to vote. Each share is entitled to one vote on each matter presented at the Annual Meeting. There is no cumulative voting.

How do I vote my shares?

Whether you plan to attend the telephonic Annual Meeting or not, we urge you to vote by proxy. All shares represented by valid proxies that we receive through this solicitation, and that are not revoked, will be voted in accordance with your instructions on the proxy card or as instructed via Internet or mail. Except as set forth below, if you properly submit a proxy without giving specific voting instructions, your shares will be voted in accordance with the Board of Director's recommendations. Voting by proxy will not affect your right to attend the Annual Meeting.

7

If your shares are registered directly in your name through our stock transfer agent, Equity Stock Transfer, or you have stock certificates, you may vote:

1. By Internet. The website address for Internet voting is www.redcat.vote. Please click "Vote Your Proxy" and enter your control number.
2. By Mail. Mark, date, sign and mail the Proxy Card, and return it to Equity Stock Transfer, 237 W 37TH ST, Suite 602, New York, New York 10018, ATTN: Shareholder Services.
3. At the Annual Meeting. If you are a stockholder of record, you can participate and vote your shares at the Annual Meeting by visiting www.redcat.vote and then clicking "Vote Your Proxy". You may then enter the control number included on your proxy card and view the proposals and cast your vote.

If your shares are held in "street name," then your bank, broker or other nominee should provide a request for voting instructions along with the Company's proxy solicitation materials. By completing the voting instruction card, you may direct your nominee how to vote your shares. If you partially complete the voting instruction but fail to complete one or more of the voting instructions, then your nominee may be unable to vote your shares with respect to the proposal as to which you provided no voting instructions. Alternatively, if you want to vote your shares during the Annual Meeting, you must contact your nominee directly in order to obtain a proxy issued to you by your nominee holder. Note that a broker letter that identifies you as a stockholder is not the same as a nominee-issued proxy. If you fail to present a nominee-issued proxy to proxy@equitystock.com by 5:00 p.m. Eastern Time on June 17, 2025, you will not be able to vote your nominee-held shares during the Annual Meeting.

Can I change my vote or revoke my proxy?

A stockholder of record who has given a proxy may revoke it at any time before it is exercised at the Annual Meeting by:

- Delivering to our Corporate Secretary a written notice stating that the proxy is revoked;
- Signing and delivering a proxy bearing a later date;
- Voting again via internet no later than 7:00 p.m. Eastern Time on June 17, 2025; or
- Voting again during the Annual Meeting when the Chairman opens the polls.

Please note, however, that if your shares are held of record by a broker, bank or other nominee and you wish to revoke a proxy, you must contact that firm to revoke any prior voting instructions.

Will I be able to ask questions at the Annual Meeting?

Stockholders may submit live questions on the conference line while attending the telephonic Annual Meeting. Only appropriate questions pertinent to meeting matters or our Company will be answered during the meeting, subject to time constraints. Questions that are substantially similar may be grouped and answered together to avoid repetition.

What is the quorum requirement for the Annual Meeting?

The holders of one-third of the outstanding shares of the Company entitled to vote, represented in person or by proxy, as of the Record Date must be present at the Annual Meeting in order to hold the Annual Meeting and conduct business. This presence is called a quorum. Your shares are counted as present at the Annual Meeting if you are present and vote during the Annual Meeting, if you vote in advance of the Annual Meeting by mail or internet or if you have properly submitted a proxy.

Proxy Solicitation Costs

Red Cat is paying the costs of the solicitation of proxies. We will also make solicitation materials available to banks, brokerage houses, fiduciaries and custodians holding shares of our common stock in their names but that are beneficially owned by others for forwarding to the beneficial owners. We may reimburse persons representing beneficial owners of common stock for their costs of forwarding solicitation materials to the beneficial owners. Solicitations may be made through the mail, by telephone, facsimile, Internet or personal solicitation by our directors, executive officers and employees. No additional compensation will be paid to these individuals for these services.

Director and Officer Interest in Matters to be acted Upon at the Annual Meeting

Director nominees have an interest in Proposal 1. Our directors, director nominees, executive officers, and associates of such persons, do not have an interest in Proposal 2 or Proposal 3.

8

What is the vote required for each proposal?

For Proposal One, each director will be elected by a plurality of the votes cast, which means that the five (5) individuals nominated for election to our Board of Directors at the

Annual Meeting receiving the highest number of “FOR” votes will be elected. You may vote “FOR” all nominees, to “WITHHOLD” authority for all nominees or “FOR ALL EXCEPT” one or more of the nominees you specify. If any nominee is unable or unwilling to serve for any reason, proxies may be voted for such substitute nominee as the proxy holder might determine. Each nominee has consented to being named in this Proxy Statement and to serve if elected.

For Proposal Two, you may vote “FOR” the proposal, “AGAINST” the proposal, or abstain from voting. Ratification of the appointment of *dbbmckennon* as our independent registered public accounting firm for the fiscal year ending December 31, 2025, will be obtained if the number of votes cast “FOR” the proposal at the Annual Meeting represents a majority of the votes cast by stockholders.

For Proposal Three, you may vote “FOR” the proposal, “AGAINST” the proposal, or abstain from voting. Approval of the potential issuance of shares of common stock to Lind Global Asset Management XI LLC and Lind Global Asset Management X LLC will be obtained if the number of votes cast “FOR” the proposal at the Annual Meeting represents a majority of the votes cast by stockholders on the proposal.

How are abstentions and broker non-votes treated?

Abstentions (i.e. shares present at the Annual Meeting and marked “abstain”) and “broker non-votes” are each included in the determination of the number of shares present and entitled to vote at the meeting for purposes of determining the presence or absence of a quorum for the transaction of business at the Annual Meeting. However, neither abstentions nor broker non-votes are counted as voted either for or against a proposal and, as such, will not affect the outcome of the vote on any proposal.

A “broker non-vote” occurs when your broker submits a proxy for your shares but does not indicate a vote for a particular proposal because the broker has not received voting instructions from you and is not authorized to vote on that proposal without instructions. A broker is authorized to vote shares held for a beneficial owner on “routine” matters without instructions from the beneficial owner of those shares but is not authorized to vote shares held for a beneficial owner on “non-routine” matters without instructions from the beneficial owner of those shares.

Proposals One and Three are each considered a “non-routine” matter. If you do not provide your broker with specific instructions on how to vote your shares, the broker that holds your shares will not be authorized to vote on Proposals One and Three. Accordingly, we encourage you to provide voting instructions to your broker, whether or not you plan to attend the Annual Meeting.

Proposal Two is considered a “routine” matter. Brokers have discretionary authority to vote shares that are beneficially owned on Proposal Two.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, your shares are registered in more than one name or are registered in different accounts. To make certain all of your shares are voted, please follow the instructions included on each proxy card and vote each proxy card via the internet or by mail. If you requested or received paper proxy materials and you intend to vote by mail, please complete, sign and return each proxy card you received to ensure that all of your shares are voted.

Who is paying for this proxy solicitation?

We will pay the expenses of soliciting proxies, including preparation, assembly, printing and mailing of this Proxy Statement, the proxy card and any other information furnished to stockholders. Following the original mailing of the proxy materials, we and our agents, including directors, officers and other employees may solicit proxies by mail, email, telephone, facsimile, by other similar means or in person. Following the original mailing of the proxy materials, we will request brokers, custodians, nominees and other record holders to forward copies of the proxy materials to persons for whom they hold shares and to request authority for the exercise of proxies. In such cases, upon the request of the record holders, we will reimburse such holders for their reasonable expenses. If you choose to access the proxy materials or vote via the internet, you are responsible for any internet access charges you may incur.

Where can I find the voting results?

Voting results will be tabulated and certified by the inspector of elections appointed for the Annual Meeting. The preliminary voting results will be announced at the Annual Meeting. The final results will be tallied by the inspector of elections and filed with the U.S. Securities and Exchange Commission (the “SEC”) in a current report on Form 8-K within four business days of the Annual Meeting.

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Composition of our Board of Directors

Our board of directors currently consists of five members. Our directors hold office until their successors have been elected and qualified or until the earlier of their death, resignation or removal. There are no family relationships among any of our directors or executive officers.

Our Board of Directors held one meeting during the Transition Year Ended 2024 and took action by written consent on nine occasions. Each of our directors serving in during the Transition Period attended at least 75% of the total number of meetings of the Board of Directors and applicable committees that each director was eligible to attend.

Board Attendance at Annual Meetings of Stockholders

We, as a matter of policy, encourage our directors to attend meetings of stockholders but we do not require attendance. Four of the directors attended the 2024 Annual Meeting of Stockholders.

Communication with our Board of Directors

Stockholders and other interested parties may communicate with our Board of Directors through the Corporate Secretary by writing to the following address: Board of Directors, c/o Corporate Secretary, Red Cat Holdings, Inc., 15 Ave. Munoz Rivera, STE 2200, San Juan, PR 00901. The envelope containing such communication should contain a clear notation that the letter is “Stockholder-Board Communication” or “Stockholder-Director Communication” or a similar statement to indicate it is intended for the Board of Directors. All such communications must clearly indicate the author as a stockholder and state whether the intended recipients are all members of the Board of Directors or certain specified directors.

Director Independence

Our Board has determined that all of our present directors are independent, in accordance with standards under the Nasdaq Listing Rules, other than Mr. Thompson. Our Board determined that, under the Nasdaq Listing Rules, Mr. Thompson is not an independent director because he is the Chief Executive Officer and President of the Company.

Our Board has determined that Christopher Moe, Nicholas Liuzza, General (R) Paul Edward Funk II and Joseph Freedman are independent under the Nasdaq Listing Rules’ independence standards for Audit Committee members. Our Board has also determined that Mr. Liuzza and Mr. Funk are independent under the Nasdaq Listing Rules independence standards for Compensation Committee members and that Mr. Freedman and Mr. Funk are independent under the Nasdaq Listing Rules independence standards

for Nominating and Governance Committee members.

Committees of the Board of Directors

Our Board of Directors has three standing committees: the Audit Committee, the Compensation Committee and the Nominating and Governance Committee. The committees are comprised entirely of independent directors. Each committee operates under a written charter adopted by the Board of Directors, which is available at www.ir.redcatholdings.com under Governance – Governance Documents.

Audit Committee

The Audit Committee is composed of four independent directors: Christopher Moe (Chair), Nicholas Liuzza, General (R) Paul Edward Funk II, and Joseph Freedman. Each member of the Audit Committee is an independent director as defined by the rules of the SEC and Nasdaq. The Audit Committee has the sole authority and responsibility to select, evaluate and engage independent auditors for the Company. The Audit Committee reviews with the auditors and with the Company's financial management all matters relating to the annual audit of the Company.

The Audit Committee monitors (i) the integrity of our financial statements, (ii) the independent registered public accounting firm's qualifications and independence, (iii) the performance of our internal audit function and the auditors, and (iv) our compliance with legal and regulatory requirements. The Audit Committee also meets with our auditors to review the results of their audit and review of our annual and interim financial statements.

The Audit Committee meets regularly to discuss with management the annual audited financial statements and quarterly financial statements and meets from time to time to discuss general corporate matters. The Audit Committee held one meeting and took action by written consent on two occasions during the Transition Period.

Audit Committee Financial Expert

Our Board determined that Christopher Moe is qualified as an Audit Committee Financial Expert, as that term is defined by the rules of the SEC, in compliance with the Sarbanes-Oxley Act of 2002.

Compensation Committee

The Compensation Committee currently consists of Mr. Liuzza (Chair), Mr. Funk, and Mr. Moe, each of whom are independent directors. Among other things, the Compensation Committee reviews, recommends, and approves salaries and other compensation of the Company's executive officers, and administers the Company's equity incentive plans (including reviewing, recommending and approving stock option and other equity incentive grants to executive officers). The Compensation Committee meets in executive session to determine the compensation of the Chief Executive Officer of the Company. In determining the amount, form, and terms of such compensation, the Committee considers the annual performance evaluation of the Chief Executive Officer conducted by the Board in light of company goals and objectives relevant to Chief Executive Officer compensation, competitive market data pertaining to Chief Executive Officer compensation at comparable companies, and such other factors as it deems relevant. The Compensation Committee is guided by, and seeks to promote, the best interests of the Company and its stockholders.

In addition, subject to existing agreements, the Compensation Committee determines the salaries, bonuses, and other matters relating to compensation of the executive officers of the Company using similar parameters. It sets performance targets for determining periodic bonuses payable to executive officers. It also reviews and makes recommendations to the Board regarding executive and employee compensation, as well as benefit plans and programs, including employee bonus and retirement plans and programs (except to the extent specifically delegated to a Board appointed committee with authority to administer a particular plan). In addition, the Compensation Committee approves the compensation of non-employee directors and reports it to the full Board.

The Compensation Committee also reviews and makes recommendations with respect to stockholder proposals related to compensation matters. The committee administers the Company's equity incentive plans, including the review and grant of stock options and other equity incentive grants to executive officers, as well as other employees and consultants.

The Board may also retain or obtain the advice of a compensation consultant, legal counsel or other adviser. The Board is responsible for the appointment, compensation and oversight of the work of any compensation consultant, legal counsel and other adviser retained by the Board. For the Transition Year Ended 2024, the Board engaged FW Cook as a compensation consultant to provide analysis and recommendations regarding the compensation of the Board and management based on research of peer companies. The Board has conducted an independence assessment of FW Cook in accordance with SEC rules and has determined that FW Cook does not have any conflict of interest relating to the work it is performing for the Company.

The Compensation Committee held one meeting and took action by written consent on seven occasions in the Transition Year Ended 2024.

Nominating and Governance Committee

The Nominating and Governance Committee consists of Mr. Funk (Chair), Mr. Freedman, and Mr. Moe, each of whom meets the independence requirements of all other applicable laws, rules and regulations governing director independence, as determined by the Board.

The Nominating and Governance Committee (i) identifies individuals qualified to become members of the Board consistent with criteria approved by the Board, (ii) recommends to the Board the director nominees for the next annual meeting of stockholders or special meeting of stockholders at which directors are to be elected, (iii) recommends to the Board candidates to fill any vacancies on the Board, (iv) develops and recommends to the Board the corporate governance guidelines applicable to the Company, and (v) oversees the evaluation of the Board and management.

In recommending director nominees for the next annual meeting of stockholders, the Nominating and Governance Committee ensures the Company complies with its contractual obligations, if any, governing the nomination of directors. It considers and recruits candidates to fill positions on the Board, including as a result of the removal, resignation or retirement of any director, an increase in the size of the Board or otherwise. The Committee conducts, subject to applicable law, any and all inquiries into the background and qualifications of any candidate for the Board and such candidate's compliance with the independence and other qualification requirements established by the Committee. The Committee also recommends candidates to fill positions on committees of the Board.

In selecting and recommending candidates for election to the Board or appointment to any committee of the Board, the Committee does not believe that it is appropriate to select nominees through mechanical application of specified criteria. Rather, the Committee shall consider such factors that it deems appropriate, including, without limitation, the following (i) personal and professional integrity, ethics and values, (ii) experience in corporate management, such as serving as an officer or former officer of a publicly-held company (iii) experience in the Company's industry, (iv) experience as a board member of another publicly-held company, (v) diversity of expertise and experience in substantive matters pertaining to the Company's business relative to other directors of the Company, (vi) practical and mature business judgment, (vii) and composition of the Board (including its size and structure).

The Committee develops and recommends to the Board a policy regarding the consideration of director candidates recommended by the Company's stockholders and procedures for submission by stockholders of director nominee recommendations. The Committee considers stockholder nominees made in accordance with our bylaws, and evaluates candidates recommended by stockholders in the same manner as all other candidates brought to the attention of the Committee. Stockholder recommendations may be

submitted to the Committee in care of the Corporate Secretary at the address set forth under “Communication with our Board of Directors.”

In appropriate circumstances, the Committee, in its discretion, will consider and may recommend the removal of a director, in accordance with the applicable provisions of the Company’s certificate of incorporation and bylaws. If the Company is subject to a binding obligation that requires the removal of a director in a manner inconsistent with the foregoing, then the removal of a director shall be governed by such instrument.

The Committee oversees the evaluation of the Board and management. It also develops and recommends to the Board a set of corporate governance guidelines applicable to the Company which the Committee shall periodically review and revise as appropriate. In discharging its oversight role, the Committee is empowered to investigate any matter brought to its attention.

The Nominating and Governance Committee held one meeting and took action by written consent on two occasions in the Transition Year Ended 2024.

Board Diversity

While we do not have a formal policy on diversity, the Board considers diversity to include the skill set, background, reputation, type and length of business experience of the Board members as well as a particular nominee’s contributions to that mix. The Board believes that diversity brings a variety of ideas, judgments and considerations that benefit the Company and its stockholders. Although there are many other factors, the Board seeks individuals with experience in operating and growing businesses.

Board Leadership Structure

Our Chairman of the Board of Directors, Jeffrey Thompson, also serves as our Chief Executive Officer. Our Board of Directors has determined that this leadership structure is appropriate and effective for Red Cat at this time. This structure effectively utilizes Mr. Thompson’s knowledge of Red Cat and the industry in which we operate, while fostering greater communication and producing a greater degree of transparency between management and our directors.

Joseph Freedman currently serves as Lead Independent Director of the Board of Directors. In this capacity, Mr. Freedman serves as Chairman of meetings of the Board of Directors in the absence of the Chairman of the Board, calls, sets the agenda, and chairs the executive sessions of the independent directors, works collaboratively with the Chairman of the Compensation Committee to oversee the evaluation of our Chief Executive Officer and serves as the liaison between the independent directors and the Chairman of the Board.

Board Risk Oversight

The Company’s risk management function is overseen by the Board. The Company’s management keeps the Board apprised of material risks and provides the directors with access to all information necessary for them to understand and evaluate how these risks interrelate, how they affect us, and how management addresses those risks. Jeffrey Thompson, Chairman of the Board, works closely together with the other members of the Board when material risks are identified on how to best address such risks. If the identified risk poses an actual or potential conflict with management, the Company’s independent directors may conduct the assessment. Presently, the primary risk affecting us is that we have never been profitable and we have limited financial resources to support our operations.

Involvement in Legal Proceedings

We are not aware of any material proceedings to which any director, executive officer or affiliate of the Company, any owner of record or beneficially of more than five percent of any class of voting securities of the Company, or any associate of any such director, executive officer, affiliate of the Company, or security holder is a party adverse to the Company or any of its subsidiaries or has a material interest adverse to the Company or any of its subsidiaries. There are no arrangements or understandings with another person pursuant to which any of our executive officers or directors were selected as an executive officer or director, or between any director or nominee for director and any person or entity other than the Company relating to compensation or other payment in connection with such director or nominee’s candidacy or service. None of our current directors or executive officers have been, during the past 10 years, involved in any legal proceedings required to be disclosed pursuant to Item 401(f) of Regulation S-K.

Code of Ethics

The Board has adopted a Code of Business Conduct and Ethics (the “Code of Ethics”) that applies to all of the Company’s employees, including the Company’s Chief Executive Officer and Chief Financial Officer. Although not required, the Code of Ethics also applies to the Company’s directors. The Code of Ethics provides written standards that we believe are reasonably designed to deter wrongdoing and promote honest and ethical conduct, including (i) the ethical handling of actual or apparent conflicts of interest between personal and professional relationships, (ii) full, fair, accurate, timely and understandable disclosure and compliance with laws, rules and regulations, (iii) the prompt reporting of illegal or unethical behavior, and (iv) accountability for adherence to the Code of Ethics.

Each of the nominees is a current director and all have consented to serving as a nominee, being named in this Proxy Statement, and serving on the Board if elected. Each director elected at the Annual Meeting will be elected to serve a one-year term. If any nominee becomes unavailable or unable to serve before the Annual Meeting, the Board of Directors may determine to leave the position vacant, reduce the number of authorized directors or designate a substitute nominee. If a substitute nominee is named, then the persons named as proxies will have full discretion and authority to vote or refrain from voting for such substitute nominee in their discretion.

There are no family relationships between any directors, director nominees and executive officers of Red Cat, and there are no arrangements or understandings between any nominee and any other person pursuant to which such nominee was or is selected as a director or nominee.

Change in Independent Registered Public Accounting Firm

As previously reported in the Company’s Current Reports on Form 8-K filed on May 8, 2024 and May 23, 2024, on May 6, 2024, the Company dismissed BF Borgers as its independent registered public accounting firm. The Company’s audit committee unanimously approved the decision to dismiss BF Borgers.

BF Borgers’ reports on the financial statements of the Company for the fiscal years ended April 30, 2023 and 2022 did not contain an adverse opinion or disclaimer of opinion, nor were they modified or qualified as to uncertainty, audit scope or accounting principles except that BF Borgers’ reports on the financial statements of the Company for the fiscal years ended April 30, 2023 and 2022 contained the following paragraph:

“The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 2 to the financial statements, the Company has suffered recurring losses from operations that raises substantial doubt about its ability to continue as a going concern. Management’s plans in regard to these matters are also described in Note 2. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.”

There were no “disagreements” (as that term is defined in Item 304(a)(1)(iv) of Regulation S-K) and no “reportable event” (as that term is defined in Item 304(a)(1)(v) of Regulation S-K) during the fiscal years ended April 30, 2023 and 2022 and the subsequent interim periods up to and including the date of BF Borgers’ dismissal between the Company and BF Borgers on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which, if not resolved to the satisfaction of BF Borgers, would have caused them to make reference to the subject matter of the disagreement in connection with their report on the Company’s financial statements for those periods.

In the May 3, 2024 “Staff Statement on the Issuer Disclosure and Reporting Obligations in Light of Rule 102(e) Order Against BF Borgers CPA PC,” the SEC advised registrants that they may indicate in their SEC filing that their prior auditor is no longer permitted to appear or practice before the Commission, in lieu of including a letter from BF Borgers stating whether it agrees with our disclosures under Item 304 of Regulation S-K. In light of the Order and the staff statement, we did not request BF Borgers to furnish the Company with such letter.

On May 20, 2024, the Company appointed *dbbmckennon* as the Company’s independent registered public accounting firm for the Company for the fiscal years ended April 30, 2024 and 2023. The Company’s appointment of *dbbmckennon* was approved by the Audit Committee of the Board of Directors of the Company following an assessment and review of several accounting firms undertaken prior to the appointment.

16

During the Company’s two fiscal years ended April 30, 2024 and 2023, and the subsequent interim periods through the date of appointment, neither the Company nor anyone acting on its behalf has consulted with *dbbmckennon* regarding (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company’s financial statements, and either a written report was provided to the Company by *dbbmckennon*, or oral advice was provided that *dbbmckennon* concluded was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a “disagreement” (as defined in paragraph 304(a)(1)(iv) of Regulation S-K and the related instructions) or a “reportable event” (as described in paragraph 304(a)(1)(v) of Regulation S-K).

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

Our Audit Committee’s policy is to pre-approve all audit and permissible non-audit services provided by our independent registered public accounting firm, the scope of services provided by our independent registered public accounting firm and the fees for the services to be performed. These services may include audit services, audit-related services, tax services and other services. Pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. Our independent registered public accounting firm and management are required to periodically report to the Audit Committee regarding the extent of services provided by our independent registered public accounting firm in accordance with this pre-approval, and the fees for the services performed to date. All of the services relating to the fees described in the table above were approved by our Audit Committee.

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” APPROVAL OF PROPOSAL TWO.

PROPOSAL THREE APPROVAL OF ISSUANCE OF SHARES OF COMMON STOCK TO LIND GLOBAL ASSET MANAGEMENT XI LLC AND LIND GLOBAL ASSET MANAGEMENT X LLC

Our Board of Directors recommends that our stockholders vote to approve the issuance of all shares of common stock which are or may be issuable to Lind Global Asset Management XI LLC and Lind Global Asset Management X LLC (collectively, “Lind”) pursuant to certain secured convertible notes and warrants issued to Lind.

Financings with Lind Global Asset Management X LLC

On September 23, 2024, we entered into a Securities Purchase Agreement (the “September SPA”) with Lind Global Asset Management X LLC (“Lind X”). Upon closing of the September SPA, the Company received \$8 million in funding from Lind X in exchange for its issuance to Lind X of a Senior Secured Convertible Promissory Note in the amount of \$9,600,000 (the “September Note”) and a Common Stock Purchase Warrant for the purchase of 750,000 shares of our common stock, exercisable for 5 years (the “September Warrant”).

On November 26, 2024, we entered into a First Amendment to the SPA (the “September SPA Amendment”). Upon closing of the SPA Amendment, we received an additional \$6,000,000 in funding from Lind X in exchange for our issuance to Lind X of a new Senior Secured Convertible Promissory Note in the amount of \$7,200,000 (the “November Note”) and a Common Stock Purchase Warrant for the purchase of 326,000 shares of our common stock, exercisable for 5 years (the “November Warrant”).

The September Note and the November Note have been fully converted to common stock. In addition, the September Warrant has been fully exercised. The November Warrant, for the purchase of up to 326,000 shares of common stock, remains unexercised. As currently adjusted, the exercise price of the November Warrant is \$6.35 per share.

Financing with Lind Global Asset Management XI LLC

On February 10, 2025, we entered into a Securities Purchase Agreement (the “February SPA”) with Lind Global Asset Management XI LLC. Upon closing of the February SPA, we received \$15 million in funding from Lind in exchange for our issuance to Lind of a Senior Secured Convertible Promissory Note in the original amount of \$16,500,000 (the “February Note”) and a Common Stock Purchase Warrant for the purchase of 1,000,000 shares of our common stock at an original price of \$15.00 per share, exercisable for 5 years (the “February Warrant”). On April 9, 2025, we entered into a First Amendment to the February Note and the February Warrant (the “First Amendment”). Under the First Amendment, the face amount of the February Note was increased to \$18,150,000. In addition, in exchange for a one-time limited waiver of certain conversion price reset provisions in the February Note, the exercise price for the February Warrant was adjusted to \$7.62 per share, the conversion price of the February Note was lowered to \$9.52 per share, and the maturity date of the February Note was extended to May 10, 2026.

As amended, the February Note, which does not accrue interest, shall be due and payable on May 10, 2026. The February Note may be converted by Lind from time to time at a price equal to the lower of “Conversion Price” of \$9.52 per share, or the “Repayment Share Price,” which is defined as ninety percent (90%) of the average of the five (5) lowest daily VWAPs for our common stock during the twenty (20) trading days prior to the conversion date, subject to a floor price. Conversions under the February Note are limited to a maximum of \$1,650,000 in any calendar month, subject to increase upon our optional written consent. Upon receipt of a conversion notice under the February Note, we may, if the applicable Repayment Share Price is below the Conversion Price, elect to pay up to 50% of the conversion amount in cash and in lieu of issuing common stock. Cash repayments under this provision must be equal to 1.025 times the conversion amount. If applicable, we must elect the cash repayment option within one business day of receiving the conversion notice and tender cash payment within two business days of receiving the conversion notice.

17

The February Note may be prepaid in whole upon 5 days’ notice, but in the event of a prepayment notice, Lind may convert up to 25% of principal amount due at the lesser of the Repayment Share Price (but only if the Repayment Share Price is equal to or greater than an applicable threshold) or the Conversion Price.

Shares Issued and Issuable to Lind

Under prior conversions of the September Note and the November Note, together with prior exercises of the September Warrant, Lind has been issued a total of 3,009,533 shares of our common stock. A maximum total of up to 25,526,000 additional shares are potentially issuable to Lind upon conversions of the February Note and exercises of the November Warrant and the February Warrant, assuming the February Note were exercised at the minimum “floor” price stated therein. As of April 15, 2025, we have 90,513,926 shares of our common stock issued and outstanding and if the maximum total of up to 25,526,000 additional shares are issued to Lind upon conversions of the February Note and exercises of the November Warrant and the February Warrant, assuming the February Note were exercised at the minimum “floor” price stated therein, together with the 3,009,533 shares of our common stock already issued, would be a total of 28,535,533 shares of our common stock issued to Lind, of the 116,039,926 total shares of our common stock issued and outstanding, resulting in approximately 24.6% of the outstanding common stock after the issuance, and 31.5% of the outstanding common stock before the issuance.

Our common stock is listed on Nasdaq and we are subject to the Nasdaq rules and regulations. Nasdaq Listing Rule 5635(b) requires stockholder approval when the issuance or potential issuance will result in a “change of control” of a listed company. This rule does not specifically define when a change in control of a company may be deemed to occur for this purpose; however, Nasdaq suggests in its guidance that a change of control would occur, subject to certain limited exceptions, if after a transaction an investor (or a group of investors) will hold 20% or more of a company’s then-outstanding capital stock.

Additionally, Nasdaq Listing Rule 5635(d) requires stockholder approval prior to a 20% Issuance (as defined below) at a price that is less than the Minimum Price (as defined below). For purposes of Nasdaq Listing Rule 5635(d), (i) “20% Issuance” means a transaction, other than a public offering, involving the sale, issuance or potential issuance by us of common stock (or securities convertible into or exercisable for common stock), which alone or together with sales by our officers, directors or substantial stockholders equals 20% or more of common stock or 20% or more of the voting power outstanding before the issuance, and (ii) “Minimum Price” means a price that is the lower of: (A) the closing price (as reflected on Nasdaq.com) immediately preceding the signing of the binding agreement; or (B) the average closing price of common stock (as reflected on Nasdaq.com) for the five trading days immediately preceding the signing of the binding agreement.

Pursuant to the terms of the purchase agreements with Lind, we are seeking stockholder approval of the transactions contemplated thereby, including issuance of all shares issued or potentially issuable to Lind thereunder.

Vote Required

In accordance with Nasdaq Rule 5635(e)(4) stockholder approval of our issuance of all shares of common stock which are or may be issuable to Lind requires the affirmative vote of a majority of the total votes cast on this proposal at the Annual Meeting. This means that there must be more votes “FOR” the proposal than votes “AGAINST” the proposal at the meeting.

Board of Director Recommendation

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” OUR ISSUANCE OF ALL SHARES WHICH MAY BE ISSUED TO LIND.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

Information relating to beneficial ownership of common stock by our principal stockholders and management is based upon information furnished by each person using “beneficial ownership” concepts under the rules of the SEC. The person is also deemed to be a beneficial owner of any security of which that person has a right to acquire beneficial ownership within 60 days. Under the SEC rules, more than one person may be deemed to be a beneficial owner of the same securities, and a person may be deemed to be a beneficial owner of securities as to which he or she may not have any pecuniary interest. Pay Versus Performance

Disclosure Requirements

The Company is providing the Pay Versus Performance ("PVP") disclosures mandated by the SEC pursuant to Item 402(v) of Regulation S-K promulgated under the Exchange Act. These rules introduce a method for calculating total compensation called Compensation Actually Paid ("CAP"). The rules also require us to provide a table reporting the total compensation of our principal executive officer ("PEO") as well as an average of the total compensation of our other named executive officers ("ONEO's"). In summary, the table reports (i) the compensation for our PEO and ONEO's as historically reported in the Summary Compensation Table ("SCT") and on a CAP basis, (ii) the value of an initial \$100 investment in the Company's common stock during specified periods, and (iii) the Company's net gain or loss for each applicable period.

These disclosures have been prepared in accordance with Item 402(v) and do not necessarily reflect values realized by our executive officers, especially related to any form of equity compensation. These reported values also do not reflect how our Compensation Committee evaluates executive compensation decisions for our executives. In particular, our Compensation Committee has not used CAP as a basis for making compensation decisions, nor does it use net income/loss, as reported under GAAP, as a primary determinant.

Valuation Methods

Compensation related to equity awards is calculated in accordance with generally accepted accounting principles ("GAAP") and rules prescribed by the SEC. For both SCT and CAP, the fair value of equity awards is calculated in accordance with ASC 718 – Stock Compensation. The Company uses the Black Scholes valuation model to determine the fair value of option awards.

Under CAP, changes in fair value are recognized as compensation, positive or negative, in the fiscal year in which fair value is re-measured. Fluctuations in the Company's stock price will impact the fair value re-measurements under CAP.

(2) Amounts in this column represent the "Total" column set forth above in the Summary Compensation Table ("SCT").

(3) See the footnotes to the SCT for further detail regarding the amounts in these columns. The dollar amounts reported in these columns represent the amounts of "compensation actually paid." The Amounts are computed in accordance with Item 402(v) of Regulation S-K by deducting and adding the following amounts from the "Total" column of the SCT (pursuant to SEC rules, fair value at each measurement date is computed in a manner consistent with the fair value methodology used to account for share-based payments in our financial statements under GAAP).

(4) During Transition Period, there were three Non-PEO NEO's, Leah Lunger, Former Chief Financial Officer, Geoffrey Hitchcock, Chief Revenue Officer, and George Matus, Former Chief Technology Officer. During 2023 and 2024, there were four Non-PEO NEO's, Joseph Hernon, Former Chief Financial Officer, Allan Evans, Former Chief Operating Officer, Leah Lunger, Former Chief Financial Officer, and George Matus, Former Chief Technology Officer.

Employment Agreements

Employment Agreement with Jeffrey Thompson, Chief Executive Officer

On March 31, 2021, the Company entered into an employment agreement (as amended, the “Thompson Employment Agreement”) with Jeffrey M. Thompson, the Company’s Chief Executive Officer. The Thompson Employment Agreement provides for an initial term of one year and will renew for successive one-year terms unless either party provides written notice of their intent not to renew the agreement at least three months prior to expiration. The Thompson Employment Agreement provides for a base salary of \$248,000 per year. On April 29, 2022, Mr. Thompson’s base salary was increased to \$300,000. In any fiscal year in which the Company’s (a) market capitalization is at least \$500,000,000 and (b) its traded price per share is at least \$6.00 on a national securities exchange for 60 consecutive days (the “Incentive Criteria”), Mr. Thompson may elect to receive all or any portion of the base salary for a subsequent period in shares of Company common stock valued at the thirty-day VWAP for each pay period for which the election is applicable.

Effective May 16, 2023, the Company extended the Thompson Employment Agreement with Mr. Thompson to May 10, 2026, subject to automatic renewal for successive one-year terms unless either party gives written notice of their intent not to renew the agreement at least three months prior to expiration.

Mr. Thompson may earn an annual bonus, in an amount up to 200% of his base salary, based upon attaining performance goals and objectives defined by the Compensation Committee. If the Incentive Criteria are achieved, then Mr. Thompson shall be entitled to receive the maximum annual bonus amount, and may elect to receive all or any portion of his bonus in common stock of the Company, valued at the thirty-day VWAP on the date set for payment of the bonus.

The Thompson Employment Agreement contains certain “clawback” provisions which are triggered upon a restatement of financial results of the Company which were the basis for payment of compensation to Mr. Thompson. Under the clawback provisions, Mr. Thompson will be required to repay any annual bonus and stock-based compensation to the extent the amounts paid exceeded the amounts that would have been paid, based on the restatement of the Company’s financial information.

Upon termination of Mr. Thompson’s employment under the Thompson Employment Agreement for any reason, Mr. Thompson will be entitled to all base salary earned through the termination date, as well as pro-rated annual bonuses, if any (other than in the case of a termination for Cause), and payment of all accrued but unused vacation time and any reimbursable expenses. As defined in the agreement, upon termination by (i) the Company for any reason other than “Cause”, or (ii) by Mr. Thompson for “Good Reason”, then

Mr. Thompson will also be entitled to immediate vesting of all stock options/equity awards. In the event of a termination without Cause, resignation for Good Reason, or any termination within 180 days following the occurrence of a change in control transaction, Mr. Thompson shall be entitled to severance comprised of (i) twenty-four (24) months of his then Base Salary; (ii) continued participation in the Company's health and welfare benefit plans to be paid in full by the Company for at least twelve (12) months; and (iii) immediate vesting of all stock options/equity awards.

The Employment Agreement provides for a base salary of \$230,000 per year, subject to adjustment by the Compensation Committee of the Company's Board of Directors.

Pursuant to the Hitchcock Employment Agreement, Mr. Hitchcock is eligible to earn an annual bonus of up to \$175,000 per year (the "Annual Bonus"), in addition to his base salary. The Annual Bonus may be paid in cash or stock, as reasonably determined by the Compensation Committee. The Annual Bonus will be based on the achievement of goals and objectives, which may be both quantitative and qualitative, as defined by the Chief Executive Officer in consultation with the Compensation Committee. The earned portion of the Annual Bonus will be paid, subject to cash availability, within 45 days following the determination of goal attainment. Any financial goals associated with the Annual Bonus will not be considered achieved until after the completion of the Company's annual audit and public disclosure of financial results. Mr. Hitchcock must remain employed through the payment date to earn the Annual Bonus.

In connection with the Hitchcock Employment Agreement, Mr. Hitchcock was granted an initial equity award of 575,000 restricted stock units under the Company's 2024 Omnibus Equity Incentive Plan in November 2024. Of these restricted stock units, 50,000 vested upon grant, and the remaining 525,000 shares will vest in two equal instalments of 262,500 shares on October 1, 2025, and October 1, 2026, respectively.

The Hitchcock Employment Agreement contains certain "clawback" provisions which are triggered upon a restatement of financial results of the Company which were the basis for payment of compensation to Mr. Thompson. Under the clawback provisions, Mr. Thompson will be required to repay any annual bonus and stock-based compensation to the extent the amounts paid exceeded the amounts that would have been paid, based on the restatement of the Company's financial information.

24

Upon termination of the Mr. Hitchcock's employment under the Hitchcock Employment Agreement for any reason, Mr. Hitchcock will be entitled to all base salary earned through the termination date, accrued but unused vacation time, reimbursement of reasonable business expenses incurred but unpaid as of the termination date, and any vested benefits or earned amounts under the terms of the Hitchcock Employment Agreement. In the event of termination by (i) the Company for any reason other than "Cause," or (ii) by Mr. Hitchcock for "Good Reason" (as such terms are defined in the Employment Agreement), Mr. Hitchcock will also be entitled to: (i) twelve (12) months of his then Base Salary; (ii) accelerated vesting of the unvested time-based portion of any outstanding equity awards; and (iii) continuation of coverage under the Company's group health plans in accordance with COBRA for a period of up to 6 months.

Employment Agreement with Leah Lunger, Former Chief Financial Officer

Effective as of June 10, 2024, the Company entered into an Executive Employment Agreement (the "Lunger Employment Agreement") with Leah Lunger, the Company's Former Chief Financial Officer. The Lunger Employment Agreement provided for a base salary of \$230,000 per year and she was eligible to receive an annual bonus of up to 50% of her annual salary upon the achievement of goals and objectives as determined by the Compensation Committee of the Board of Directors of the Company.

In connection with the execution of the Lunger Employment Agreement, the Company granted Ms. Lunger a one-time equity award issued under the 2019 Plan, consisting of 900,000 restricted stock units (the "Initial Award"). 150,000 shares of the Initial Award were fully vested upon grant; 64,286 shares of the Initial Award were subject to vesting (subject to Ms. Lunger's continuous employment) on the 10th day following the close of each of the Company's successive six (6) fiscal quarters; 64,284 shares of the Initial Award were scheduled to vest (subject to Ms. Lunger's continuous employment) on the 10th day following the close of the successive seventh (7th) fiscal quarter; and 300,000 Shares of the Initial Award vested upon the Company's filing of its Transition Report on Form 10-K for its year ended December 31, 2024, with the U.S. Securities and Exchange Commission. The Initial Award was subject to full vesting upon a Change in Control (as defined in the 2019 Plan) if Ms. Lunger has remained in continuous service with the Company through such Change in Control. In the event of a Change in Control within twelve (12) months following the cessation of Ms. Lunger's service to the Company for any reason other than a Cause (as defined in the Employment Agreement) event, the Company was to pay to Ms. Lunger, within thirty (30) days of such Change in Control, a cash sum equal to the value of the unvested Share Awards (as defined in the Employment Agreement) that Ms. Lunger would have had as of the consummation of such Change in Control had they been held by Ms. Lunger at the time of the Change in Control.

The Lunger Employment Agreement contained certain "clawback" provisions which are triggered upon an accounting restatement of financial statements of the Company which were the basis for payment of compensation to Ms. Lunger. Under the clawback provisions, Ms. Lunger would have been required to repay any compensation granted, earned, or vested based wholly or in part upon the attainment of a Financial Reporting Measure (as defined in the clawback policy) to the extent the amounts paid exceeded the amounts that would have been paid, based on the restatement of the Company's financial information.

If Ms. Lunger's employment is terminated by the Company for Cause (as defined in the Lunger Employment Agreement), Ms. Lunger will only be entitled to (i) unpaid base salary earned through the termination date, (ii) accrued but unused vacation time, (iii) reimbursement of all reasonable business expenses that were incurred but unpaid as of the termination date, and (iv) all vested benefits and unpaid amounts, and all outstanding vested and unvested stock options and stock appreciation rights shall be then forfeited without consideration. If Ms. Lunger's employment is terminated by the Company without Cause or by Ms. Lunger for Good Reason (as defined in the Employment Agreement) the Company shall pay or provide to Ms. Lunger, in addition to such accrued amounts and benefits, (a) twelve months of Ms. Lunger's base salary, (b) accelerated vesting of the unvested portion of Ms. Lunger's outstanding Share Awards, (c) the annual bonus for the year of termination (in an amount equal to 50% of her base salary), plus any unpaid prior year's annual bonus, and (d) continuation of coverage under the Company's group health plans in accordance with COBRA for a period of up to 6 months; provided, that Ms. Lunger executes a separation and release agreement prescribed by the Company and Ms. Lunger complies with her other obligations under the Lunger Employment Agreement, the separation agreement, and all other obligations owed to the Company.

No severance was paid and all unvested stock-based awards were forfeited upon Ms. Lunger's resignation in January 2025.

Employment Agreement with George Matus, Former Chief Technology Officer

Effective as of May 10, 2024, the Company entered into an Executive Employment Agreement (the "Employment Agreement") with George Matus, the Company's Chief Technology Officer. The Employment Agreement provides for an initial term continuing until May 10, 2026, and will renew for successive one-year terms unless either party provides written notice of their intent not to renew the agreement at least three months prior to expiration. The Employment Agreement provides for a base salary of \$230,000 per year and he will be eligible to receive an annual bonus of up to 50% of his annual salary upon the achievement of goals and objectives as determined by the Compensation Committee of the Board of Directors of the Company, or upon a notification of a production award from a specified customer. Mr. Matus is eligible to participate in the Company's 2019 Equity Incentive Plan and will also have the opportunity to receive awards in such amounts and pursuant to such terms as determined by the Company's Board of Directors or Compensation Committee.

In connection with the Employment Agreement, the Company granted Mr. Matus a one-time equity award issued under the 2019 Plan, consisting of 600,000 time-based restricted stock units (the “Initial Award”) and 300,000 performance-based restricted stock units. 150,000 shares of the Initial Award will vest upon grant and the balance of the Initial Award and all other share awards (other than the Performance Award (as defined below)) will vest (subject to Mr. Matus’s continuous employment) quarterly in equal amounts on the 10th day following the close of each of the successive six fiscal quarters (for the avoidance of doubt, 75,000 shares will vest each quarter as to the Initial Award). The 300,000 performance-based restricted stock units vested in November 2024 when a production award was awarded to the Company.

The Employment Agreement contains certain “clawback” provisions which are triggered upon an accounting restatement of financial statements of the Company which were the basis for payment of compensation to Mr. Matus. Under the clawback provisions, Mr. Matus will be required to repay any compensation granted, earned, or vested based wholly or in part upon the attainment of a Financial Reporting Measure (as defined in the clawback policy) to the extent the amounts paid exceeded the amounts that would have been paid, based on the restatement of the Company’s financial information.

If Mr. Matus’s employment is terminated by the Company for Cause (as defined in the Employment Agreement), Mr. Matus will only be entitled to the Accrued Benefits (as defined in the Employment Agreement) and all outstanding vested and unvested stock options and stock appreciation rights shall be then forfeited without consideration. If Mr. Matus’s employment is terminated by the Company without Cause or by Mr. Matus for Good Reason (as defined in the Employment Agreement) the Company shall pay or provide to Mr. Matus the Accrued Benefits and Separation Benefits (each as defined in the Employment Agreement) provided, that Mr. Matus executes a separation and release agreement prescribed by the Company and Mr. Matus complies with his other obligations under the Employment Agreement, the separation agreement, and all other obligations owed to the Company.

No severance was paid and all unvested stock-based awards were forfeited upon Mr. Matus’s resignation in November 2024.
